(Request for Review After Final Approval for the relocation of the trash enclosure into the interior setback. Project requires findings for a Minor Zoning Exception. Project was last reviewed on June 4, 2018.)  

Approval of Review After Final with comments:  
1. The following Minor Zoning Exception criteria have been met:  
   a. The granting of such exception will not be detrimental to the use and enjoyment of other properties in the neighborhood;  
   b. The improvements are sited such that they minimize impact next to abutting properties;  
   c. The project generally complies with applicable privacy, landscaping, noise, and lighting standards in the Single Family Design Board Good Neighbor Guidelines;  
   d. The improvement will be compatible with the existing development and character of the neighborhood; and  
   e. The granting of such exception for the existing fence and landscape screening to adjacent neighbors will not create or exacerbate an obstruction of the necessary sightlines for the safe operation of motor vehicles.  
   f. The proposed waste and recycling enclosure is not anticipated to create a nuisance, hazard, or other objectionable condition, pursuant to Chapter 30.180, Performance Standards.
