Slurry Seal Program <i>Replace isolated sections of failed asphalt concrete and apply waterproof surface treatment on existing pavement with chips or slurry seals. This annual program is jointly funded with Streets Utility Users' Tax revenue and Measure D funds.</i>	764,036
U.S. Highway 101 Implementation Plan <i>Work with other agencies to develop a long-term approach to address congestion on the Highway 101 corridor, between Winchester Canyon and the Ventura County line.</i>	100,000

CAPITAL PROGRAM

Capital Budget for Fiscal Year 2004

School Traffic Management Program <i>Identify and implement projects and programs to reduce and control traffic around public schools.</i>	75,000
State Route 225 Relinquishment Improvements <i>Review proposed improvements yet to be determined, and annexation costs of County portion of State Route 225 to the City.</i>	25,000
Streetlight and Traffic System Planned Programs <i>Install and maintain streetlights and poles under the annual streetlight Installation program.</i>	295,000
Streetlight Circuit Replacement Program <i>Replace all major 6.6 amp circuits in City streetlights as part of a multi-year project.</i>	400,000
Total Streets & Transportation Development Program Capital	\$2,215,036
CREEKS RESTORATION AND WATER QUALITY IMPROVEMENT	
Project Title	
Sycamore Creek and Laguna Channel Bacterial Reduction Program <i>Evaluate the storm drain system of the Sycamore and Laguna Channel watersheds.</i>	\$75,000
Laguna Channel Urban Runoff Treatment Project <i>Design and install a clarifier for Laguna Pump Station scavenger pump.</i>	100,000
Arroyo Burro Estuary Restoration Project <i>Remove non-native species within the estuary and creek corridor and re-vegetate all disturbed areas.</i>	50,000
Arroyo Burro Watershed Plan <i>Establish a long-term creek restoration and water quality improvement strategy for Arroyo Burro, including the identification of needed projects.</i>	150,000
Mission Creek Watershed Plan <i>Establish a long-term creek restoration and water quality improvement strategy for Mission Creek, including the identification of needed projects.</i>	150,000
Total Creeks Restoration & Water Quality Improvement	\$525,000
TRANSPORATION SALES TAX (MEASURE D)	
Project Title	
Sidewalk Maintenance and Access Ramps Program <i>Replace existing uplifted or depressed sidewalks due to tree root damage.</i>	350,000

CAPITAL PROGRAM

Capital Budget for Fiscal Year 2004

<p>Pavement Management and Sidewalk Inventory Update <i>Update the annual survey of sidewalk, curb, gutter and pavement conditions in the City.</i></p>	25,000
<p>Traffic Safety and Capacity Improvement <i>Replace traffic equipment at specific locations in the City.</i></p>	200,000
<p>Drainage System Maintenance <i>Maintain, improve and construct drainage facilities as needed in various locations within the City.</i></p>	480,000
<p>Street Overlay Program <i>Perform pavement overlay and resurfacing as part of the annual Pavement Maintenance Program.</i></p>	902,528
<p>Slurry Seal Program <i>Replace isolated sections of failed asphalt concrete and apply waterproof surface treatment on existing pavement with chips or slurry seals. This annual program is jointly funded with Streets Utility Users' Tax revenue and Measure D funds.</i></p>	138,492
<p>Neighbors for Livable Streets Program <i>This project includes several measures to reduce vehicle speeds and number of trips as part of a comprehensive effort to improve neighborhood livability.</i></p>	238,000
<p>Sidewalk Replacement Program <i>Replace existing sidewalks uplifted or depressed due to tree root damage.</i></p>	250,000
<p>Bicycle Improvement Program Ongoing improvements include bicycle parking, signage, signage loop replacement and the creating of a maintenance hotline for people.</p>	25,000
<p>Total Transportation Sales Tax Capital</p>	\$2,609,020
<p>AIRPORT FUND Project Title</p>	
<p>North Taxiway B Relocation (FAA) <i>Relocate northern portion of Taxiway B.</i></p>	\$1,251,164
<p>Construct 20 T-Hangars (FAA) <i>Construct 20 T-hangars, including taxi lanes, sewer, water, electrical, storm drainage, lighting and markings.</i></p>	1,370,000
<p>AOA Pavement Maintenance <i>Annual maintenance program for pavement to include crack sealing, slurry seal, overlay, and reconstruction.</i></p>	100,000

CAPITAL PROGRAM

Capital Budget for Fiscal Year 2004

Leased Building Maintenance for Lease Properties <i>Perform annual maintenance and improvements of leased facilities.</i>	125,000
Street Resurfacing Program <i>Overlay and repair various Airport streets and parking lots.</i>	100,000
Hazardous Materials Program <i>Perform follow-up monitoring and reporting on hazardous materials sites as required.</i>	50,000
Airport Infrastructure <i>Annual maintenance program for Airport infrastructure to include water, sewer, and wastewater facilities repair and replacement.</i>	50,000
Door Replacement for Hangars 3 & 4 <i>Retrofit the structural support systems and replace the main hangar doors for two hangars.</i>	160,000
Total Airport Fund Capital	\$3,206,164
DOWNTOWN PARKING FUND	
Project Title	
Downtown Parking Lot Maintenance <i>Perform ongoing maintenance in the Downtown Parking Lots.</i>	\$55,000
Downtown Parking Staff Office <i>Purchase fixtures and appurtenances for the Downtown Parking staff offices located in the Granada Garage.</i>	100,000
Depot Storage Building <i>Construct a new 492-square foot storage building at the Railroad Depot.</i>	300,000
Granada Garage Refuse Management Equipment <i>Purchase a compactor and baler for the Granada Garage central refuse enclosure.</i>	75,000
Total Downtown Parking Fund Capital	\$530,000
GOLF FUND	
Project Title	
Power Turf Equipment <i>Purchase power turf equipment to replace existing equipment.</i>	\$50,000

CAPITAL PROGRAM

Capital Budget for Fiscal Year 2004

<p>Materials Bunker Storage Area <i>Construct a covered storage system for sand and gravel and improve drainage and landscaping around the maintenance building.</i></p>	50,000
<p>Golf Course Improvement Projects <i>Re-build tees and greens, repair and add cart paths, and make other course improvements as part of a multi-year golf course improvement plan.</i></p>	200,000
Total Golf Fund Capital	\$300,000
<p>INTRA-CITY SERVICES (ICS) FUND Project Title</p>	
<p>Building Maintenance Office Expansion <i>Construct an addition to the Building Maintenance Administration building for two staff offices.</i></p>	60,000
<p>Motor Pool Office Storage and Space Remodel <i>Remodel Motor Pool office and storage space.</i></p>	50,000
<p>Motor Pool Delivery Truck <i>Replace the existing delivery truck used for pick up of service parts at locations in Ventura and Los Angeles County.</i></p>	28,000
<p>In-Ground Hoist Replacement <i>Procure and install the last of the 11 hoists as part of the underground hoist replacement project begun in 1996.</i></p>	172,000
<p>Fire Truck Replacement Program <i>Replace a fire truck according to assigned life cycle as part of the biennial replacement program.</i></p>	180,000
<p>Enterprise Fund Vehicle Replacement Program <i>Annual replacement of Fleet Vehicles scheduled for replacement based upon completion of their assigned life cycle. Includes, the addition of one new vehicle for use by the new Building Maintenance Project Engineer.</i></p>	623,637
<p>General Fund Replacement Program <i>Annual replacement of Fleet Vehicles scheduled for replacement based upon completion of their assigned life cycle.</i></p>	619,842
Total Intra-City Services (ICS) Fund Capital	\$1,733,479

CAPITAL PROGRAM

Capital Budget for Fiscal Year 2004

WASTEWATER FUND Project Title	
Sanitary Sewer Overflow Compliance Program <i>Replace approximately 1% of the wastewater system collection lines and manholes as part of the annual replacement program.</i>	\$1,650,000
San Marcos Lift Station Rehabilitation and Replacement Project <i>Evaluate the feasibility of eliminating the lift station by connecting to the Goleta Sanitary District system.</i>	150,000
El Estero Treatment Plant Maintenance Program <i>Rehabilitate or replace major equipment, electrical systems and wiring at the El Estero Treatment facility.</i>	985,000
Lift Station Maintenance Program <i>Annual program of capital maintenance projects to keep the City's wastewater lift stations fully operational.</i>	150,000
El Estero Strategic Plan Implementation <i>Rehabilitate and replace major process components used to treat wastewater at the El Estero Wastewater Treatment Plant to meet federal and state wastewater discharge and air emissions requirements.</i>	944,000
El Estero Drain Project <i>Restore and construct improvements to the El Estero Drain adjacent to the treatment facility.</i>	75,000
Total Wastewater Fund Capital	\$3,954,000
WATER FUND Project Title	
Water Main Replacement Program <i>Annual replacement program to replace 16,000 feet of old water mains.</i>	\$2,400,000
Cater Plant Capital Program <i>Completion of several planned projects designed to extend the life of the facility.</i>	210,000
Recycled Water Tertiary Filter Rehabilitation <i>Rehabilitate the recycled water tertiary filter flow splitter box and provide safe access to the filter control valves.</i>	347,000
Groundwater Supply Program <i>Projects include baseline well system component maintenance, pilot testing and design for the rehabilitation of the Ortega Groundwater Treatment Plant, installation of a new well at Santa Barbara High School, and rehabilitation of the City Hall well.</i>	2,016,497

CAPITAL PROGRAM

Capital Budget for Fiscal Year 2004

Distribution Pump Station Program <i>Annual program to provide maintenance, rehabilitation and replacement of major items at the 11 water distribution pump stations.</i>	244,000
Distribution Reservoir Program <i>Annual program developed to fund maintenance, rehabilitation and replacement of major equipments and facilities at the City's fourteen reservoirs and Gibraltar Dam.</i>	445,000
Conservation and Recycled Water Program <i>Annual program to fund maintenance, rehabilitation and replacement of facilities or equipment in the City's recycled water system.</i>	200,000
La Mesa Recycled Water Booster Pump Station <i>Install a recycled water pump station at La Mesa Park.</i>	550,000
Total Water Fund Capital	\$6,412,497
WATERFRONT FUND	
Project Title	
Breakwater Concrete & Cap Repair <i>Repair failing sections of the breakwater cement sidewalk and parapet.</i>	\$80,000
Marina Maintenance Annual Repair Program <i>Annual maintenance activities focused on various waterfront equipment.</i>	200,000
Electrical Utility Metering for Slips <i>Install electrical utility metering in the Harbor in order to recapture the cost of providing electrical service to each individual slip.</i>	235,000
Parking Lot Maintenance Program <i>Perform preventative maintenance on the Waterfront parking lots to preserve wearing surfaces.</i>	195,000
Stearns Wharf – Annual Repair Program <i>Annual Stearns Wharf pile driving and timber replacement program.</i>	300,000
Coast Guard Building – Sidewalk Installation <i>Install sidewalk adjacent to the Coast Guard building.</i>	45,000
Harbor Restroom Interior Repairs <i>Repairs to the restroom interiors in the Harbor.</i>	60,000
Heavy Timber Replacement Navy Pier & Travel Lift Pier <i>Replace heavy timber supporting at the Navy and Travel Lift piers.</i>	40,000

CAPITAL PROGRAM

Capital Budget for Fiscal Year 2004

Replace Patrol Boat #4 <i>Replace Harbor Boat #4 with a rigid hull inflatable 14-foot boat.</i>	30,000
Waterfront Office Construction <i>Construction costs for the Waterfront Administration Offices project.</i>	500,000
Stearns Wharf Fire Repair <i>Repairs to the structure due to damage caused by the fire beneath the Nature Conservancy building.</i>	250,000
Total Waterfront Fund Capital	\$1,935,000
Total Capital	\$24,619,346
