

## City of Santa Barbara Invitation to Join e-Subscriptions Notification

---

### **Creeks Restoration and Water Quality Improvement Citizens Advisory Committee**

The Creeks Restoration / Water Quality Improvement Division would like to invite you to join the City's e-Subscriptions system. This system allows you to manage subscriptions to City email lists that cover a wide range of City topics and services, including the Creeks Advisory Committee.

In an effort to increase efficiency and reduce our paper usage, the e-Subscriptions service is being offered to replace mailed meeting agendas. If you would like to receive Creeks Advisory Committee agendas using e-subscriptions, please type the link below into your web browser, follow the instructions, and sign-up for the e-Subscriptions notification.

- <http://www.santabarbaraca.gov/Government/E-Subscription/>

If you do not have an email address and wish to continue receiving printed copies of the agenda, please contact me at the number below or via email. I will continue to mail paper agendas to those that request this service.

We appreciate your continued support. Please feel free to contact me with any questions or comments.
