**7. BUSINESS ITEMS**

**a. Southern Coastal Santa Barbara Creeks Bioassessment Program and 2013 Report**

Recommendation:

That the Committee receive a presentation and discuss the Southern Coastal Santa Barbara Creeks Bioassessment Program and 2013 Report.

Documents:

Staff Report – April 2014  
Power Point Presentation – April 2014

Speakers:

Jill Murray, Water Quality Research Coordinator, Jeff Brinkman, Ecology Consultants.

Committee Questions/Discussion:

Committee members asked questions regarding kinds of changes to the IBI for the Creeks, long term trends; and, how many years it should take to see increase in diversity in restoration areas.

Mr. Brinkman reported that the new IBI will include wide range of metrics as well as refining some details and possibly changing some locations, there is no noticeable decrease or increase in stream health but episodic stressors appear to have different affects over the years; and, that restoration results depend greatly on site characteristics.

**b. Fiscal Year 2015 Budget**

Recommendation:

That the Committee recommend approval of the proposed Creeks Division Fiscal Year 2015 Budget to the Parks and Recreation Commission and the City Council.

Documents:

Staff Report – April 2014

Speakers:

Cameron Benson, Creeks Restoration and Water Quality Manager

Committee Questions/Discussion:

Committee members asked questions regarding the number of grants available/applied for; and, type of grants applied for.

Mr. Benson reported that less grants were available that fit the planned capital projects, and described the cost effectiveness of using staff time for small grants;

and, that the Division is looking for ways to partner with other organizations to increase our grant opportunities.

Motion:

Committee Members French/Weber to recommend approval of the proposed Creeks Division Fiscal Year 2015 Budget to the Parks and Recreation Commission and the City Council.

Vote:

Voice vote 5/0 (Bullock and Moldaver absent)
