Dear John,

I am respectfully writing this letter to request that the Harbor Commission grant our event, The Wine & Roses Charity Regatta , permission for a special camping permit to stay overnight in the Harbor West Parking Lot during our event scheduled for August 14-16, 2009.

This event has been held in Santa Barbara since 1994 and is hosted by the Southern California Hobie Cat Fleets and the Santa Barbara Yacht Club. It has been very well attended in the past as it is a charity event that benefits the Santa Barbara Chapter of the Make A Wish Foundation.

The organizers and participants have cooperated with local businesses and with the City Parking Staff to make this a successful event. At the end of each year's event the beach and parking lot facilities have been left clean and in good condition. The use and availability of this Waterfront parking lot during the requested time period will not have an impact on the harbor users.

We thank you in advance for your cooperation.

Sincerely,

Steve Leo
