

To: Harbor Commission, John Bridley and Mary Adams

From: "Jane Doe" Boat and Slip Owner

RE: Allowing boat and slip owners to temporarily sleep in their vehicles in the marine parking lot, if they have a situation with their boats that cause them the need.

I am requesting John Bridley to put my item on the agenda for the October 21<sup>st</sup>, 2010 commission meeting. Due to personal reasons as fully explained to Mr. Bridley, I am remaining anonymous for the purpose of not having personal information displayed on the internet. Any documents previously sent to Mary Adams either by mail or fax, I am asking her to shred and not include in the commission packet. I will outline my points at the hearing and explain my entire situation to the commission. Thank you for your consideration to these important matters.
