**City of Santa Barbara
Waterfront Department
132 A Harbor Way
Santa Barbara, Ca. 93109
Attention: Scott Riedman**

Dear Mr. Riedman,

I would like to enter into a new lease with the City of Santa Barbara. At this time, I plan to continue our operations from Stearns Wharf. Due to the present state of the economy, it is not a good business decision to bring a second boat in our operation at this time. I attempted to bring into our operation a para-sail boat, but the Waterfront Director denied this request. Now it appears the option is available.

I would be happy to discuss any issues with the lease committee. Please forward this letter to them.

**Thank you,
Capt. Don Hedden**
