FALL CMANC MEETING IN SAN FRANCISCO

On November 8th and 9th, I will be attending the California Marine Affairs and Navigation Conference in San Francisco, California, with representatives from the Corps of Engineers, Harbor/Port Directors and the City's Washington, D.C. lobbyist, Carpi & Clay. These meetings are held twice a year in order to receive the latest news on the federal budgetary process.

Waterfront staff has a good working relationship with the Corps and at this point there is funding to complete the necessary fall dredging cycle of the Federal Navigational Channel. We will continue our efforts to work closely with the Corps of Engineers to procure funds for ongoing maintenance dredging of the harbor.

I will be updating the Commission on the information provided at the meeting including the status of the federal budget and proposed funding for dredging the Santa Barbara Harbor at the November meeting.

TENTATIVE AGENDA ITEMS FOR THE DECEMBER MEETING

- UCSB Sailing Program Lease
- Lease Agreement with Madam Rosinka
