

CITY OF SANTA BARBARA WATERFRONT DEPARTMENT

MEMORANDUM

Date: March 16, 2017
To: Harbor Commission
From: Scott Riedman, Waterfront Director
Subject: **Business Services Report**

BROPHY BROS. INTERIOR IMPROVEMENTS

On March 6, Brophy Bros. began an approximately two week construction project aimed at a number of improvements in the kitchen and bar areas. Kitchen improvements will include a complete renovation of the kitchen subfloor and floor as well as all new plumbing, ventilation, new drywall and a fresh coat of paint.

The famous bar area will receive all new plumbing, fixtures, a new subfloor and floor, as well as a remodeled look that includes opening up the views to the Harbor. In addition, the restaurant will receive new lighting, a fresh coat of paint, and acoustical upgrades that will make for a more enjoyable dining experience.

The restaurant will be closed for approximately two weeks in order to facilitate the various improvements. Brophy Bros. is scheduled to re-open on March 20. Stop by and check out the improvements and the always incomparable views.
