The applicant's presence is required. If an applicant is not present, the item will be postponed indefinitely. In order to reschedule the item for review, a rescheduling fee will be paid and the applicant must fill out and file a Supplemental Application Form at 630 Garden Street (Community Development Department) in addition to submitting appropriate plans.

All approvals made by the HLC are based on compliance with Municipal Code Chapter 22.69 and with adopted HLC guidelines. Some agenda items have received a mailed notice and are subject to a public hearing.

The Commission may grant an approval for any project scheduled on the agenda if sufficient information has been provided and no other discretionary review is required. Per SBMC 22.68.110, a project design approval is valid for three years from the date of the approval unless a time extension has been granted or a building permit has been issued. Projects with a valid land use approval will also automatically extend the project design approval expiration date.

Decisions of the HLC may be appealed to the City Council. For further information on appeals, contact the Planning Division Staff or the City Clerk's office. Appeals must be in writing and must be filed with the City Clerk at City Hall, 735 Anacapa St. within ten (10) calendar days of the meeting at which the Commission took action or rendered its decision.
