Plans - three sets of folded plans are required at the time of submittal & each time plans are revised. Vicinity Map and Project Tabulations - (Include on first drawing) Site Plan - drawn to scale showing the property boundaries, existing & proposed structures, building & area square footages, building height, areas to be demolished, parking, site topography, conceptual grading & retaining walls, & existing landscaping. Include footprints of adjacent structures. Exterior elevations - showing existing & proposed grading where applicable.
	Suggested	Site Sections - showing the relationship of the proposed building & grading where applicable. Plans - floor, roof, etc. Rough sketches are encouraged early in the process for initial design review to avoid pursuing incompatible proposals. However, more complete & thorough information is recommended to facilitate an efficient review of the project.
<b>PROJECT DESIGN APPROVAL</b>	Required	Same as above with the following additions: Plans - floor, roof, etc. Site Sections - showing the relationship of the proposed building & grading where applicable. Preliminary Landscape Plans - required for commercial & multi-family; single family projects where grading occurs. Preliminary planting plan with proposed trees & shrubs & plant list with names. Plans to include street parkway strips.
	Suggested	Color & Material Samples - to be mounted on a board no larger than 8.5" x 14" & detailed on all sets of plans. Exterior Details - windows, doors, eaves, railings, chimney caps, flashing, etc. Materials submitted for Project Design Approval form the basis for working drawings & must be complete & accurate.
<b>FINAL &amp; CONSENT</b>	Required	Same as above with the following additions: Color & Material Samples - to be mounted on a board no larger than 8.5" x 14" and detailed on all sets of plans. Cut Sheets - exterior light fixtures and accessories where applicable. Exterior Details - windows, doors, eaves, railings, chimney caps, flashing, etc. Final Landscape Plans - landscape construction documents including planting & irrigation plan. Consultant/Engineer Plans - electrical, mechanical, structural, & plumbing where applicable.

**PLEASE BE ADVISED**

The approximate time the project will be reviewed is listed to the left of each item. It is suggested that applicants **arrive 15 minutes early**. The agenda schedule is subject to change as cancellations occur. Staff will notify applicants of time changes.

The applicant's presence is required. If an applicant is not present, the item will be postponed indefinitely. If an applicant cancels or postpones an item without providing advance notice, the item will be postponed indefinitely and will not be placed on the following Historic Landmarks Commission (HLC) agenda. In order to reschedule the item for review, a rescheduling fee will be paid and the applicant must fill out and file a Supplemental Application Form at 630 Garden Street (Community Development Department) in addition to submitting appropriate plans.

All approvals made by the HLC are based on compliance with Municipal Code Chapter 22.69 and with adopted HLC guidelines. Some agenda items have received a mailed notice and are subject to a public hearing.

The Commission may grant an approval for any project scheduled on the agenda if sufficient information has been provided and no other discretionary review is required. Substitution of plans is not allowed, if revised plans differing from the submittal sets are brought to the meeting, motions for Project Design Approval or Final Approval will be contingent upon staff review for code compliance.

The Commission may refer items to the Consent Calendar for Project Design Approval and Final Historic Landmarks Commission approval.

Concept review comments are generally valid for one year. Per SBMC 22.68.110, a project design approval is valid for three years from the date of the approval unless a time extension has been granted or a building permit has been issued. Projects with a valid land use approval will also automatically extend the project design approval expiration date.

Decisions of the HLC may be appealed to the City Council. For further information on appeals, contact the Planning Division Staff or the City Clerk's office. Appeals must be in writing and must be filed with the City Clerk at City Hall, 735 Anacapa St. within ten (10) calendar days of the meeting at which the Commission took action or rendered its decision.

**AMERICANS WITH DISABILITIES ACT:** In compliance with the Americans with Disabilities Act, if you need special assistance to gain access to, comment at, or participate in this meeting, please contact the Planning Division at (805) 564-5470, extension 3310. If possible, notification at least 48 hours prior to the meeting will enable the City to make reasonable arrangements in most cases.

**AGENDAS, MINUTES and REPORTS:** Copies of all documents relating to agenda items are available for review at 630 Garden St. and agendas and minutes are posted online at [www.SantaBarbaraCa.gov/hlc](http://www.SantaBarbaraCa.gov/hlc). Materials related to an item on this agenda submitted to the HLC after distribution of the agenda packet are available for public inspection in the Community Development Department located at 630 Garden St., during normal business hours. If you have any questions or wish to review the plans, please contact Susan Gantz, at (805) 564-5470, extension 3311, or by email at [SGantz@SantaBarbaraCA.gov](mailto:SGantz@SantaBarbaraCA.gov). Office hours are 8:30 A.M. to 4:00 P.M., Monday through Thursday, and every other Friday. Please check our website under *City Calendar* to verify closure dates.

**LICENSING ADVISORY:**

The Business and Professions Code of the State of California and the Municipal Code of the city of Santa Barbara restrict preparation of plans for certain project types to licensed professionals. Applicants are encouraged to consult with Building and Safety Staff or Planning Staff to verify requirements for their specific projects.

Unlicensed persons are limited to the preparation of plans for:

- Single or multiple family dwellings not to exceed four (4) units per lot, of wood frame construction, and not more than two stories and basement in height;
- Non-structural changes to storefronts; and,
- Landscaping for single-family dwellings, or projects consisting solely of landscaping of not more than 5,000 square feet.

Landscape Architect: Arcadia Studio  
Engineer: Penfield & Smith

(This is a revised project description. The City of Santa Barbara, Public Works Department proposes to construct traffic signal, pedestrian, and drainage infrastructure improvements at the intersection of Carrillo and Anacapa Streets. The proposed work is necessary due to a signal visibility issue at the intersection. Traffic signal and pedestrian improvements include the following: 1) Removal of existing single post signals at Carrillo and Anacapa Streets; 2) Installation of seven new traffic signal poles with mast arms over Carrillo Street (two sets) to improve signal visibilities along Carrillo Street, and one mastarm southbound Anacapa Street; 3) New pedestrian signal indicators with countdown heads for all directions with mast arm signals; 4) Relocation of the traffic control equipment cabinet on the southeast side of Carrillo Street; 5) Installation of new ADA-compliant dual directional access ramps at The northeast and southeast corners of the intersection; and 6) Installing up to five new drop inlets (DIs) on the northerly side of Carrillo Street between Anacapa and approximately 250 feet east of Anacapa Street.)

**(Final Approval of the project is requested. Project last reviewed on July 21, 2010.)**

(This structure is **eligible for Structure of Merit designation**. This is a revised project description. Proposal to demolish an existing 307 square foot, two-car detached garage and construct a new 462 square foot, detached two-car garage with 286 square feet of basement storage and rear access door with new stairs. The existing 13'-0" curb-cut would be extended to 20'-0". Also proposed is to demolish the existing sandstone stairs and stair support walls next to the existing garage. Approval of the project would permit proposed stairs and as-built flagstone steps/pathways at the center of the parcel, a sandstone tree well with new tree and landscaping, new gravel path, planting beds, trees, site lighting, and decorative pots. A zoning modification was approved for the proposed new garage and storage to encroach into the front setback on this 11,105 square foot lot located in the Hillside Design District. The existing two legal dwelling units on the lot are proposed to remain.)
