(Proposed project consists of the Master Plan for the Santa Barbara Museum of Natural History. The project components include deconstruction of the majority of the existing structures, approximately 58,500 square feet, with the exception of the designated structures of merit and proposed new development of approximately 109,500 square feet. The project requires a Measure E allocation of no more than 57,000 square feet and has received a dual designation as a Community Priority and Economic Development project.)

(Third conceptual level discussion workshop on Master Plan Improvements proposed for Santa Barbara Museum of Natural History. Purpose of this discussion is to provide a forum to exchange ideas, discuss design options and rationale for design concepts at early stage of design review. Item last reviewed on December 7, 2011.)
