The Full Board meeting was called to order at 1:30 p.m. by Chair Suding.

**ATTENDANCE:**

Members present: Boucher, Drury, La Voie, Shallanberger, Sharpe, Suding and Winick.

Members absent: Murray and Orías.

Staff present: Limón (1:44 p.m. to 4:01 p.m. and 4:44 p.m.), Berman (until 4:00 p.m.), Gantz, and Feliciano.

B. Approval of the minutes of the Historic Landmarks Commission meeting of May 9, 2012.

**Motion: Approval of the minutes of the Historic Landmarks Commission meeting of May 9, 2012, as presented.**

Action: Boucher/Sharpe, 4/0/2. Motion carried. (La Voie/Dury abstained. Murray/Orías/Shallanberger absent.)

C. Consent Calendar.

**Motion: Ratify the Consent Calendar as reviewed by Donald Sharpe.**

Action: Boucher/La Voie, 6/0/0. Motion carried. (Murray/Orías/Shallanberger absent.)

D. Announcements, requests by applicants for continuances and withdrawals, future agenda items, and appeals.

1. Ms. Gantz announced the following changes to the agenda:

- a) Chair Suding and Commissioner Shallanberger would be stepping down from Item 5 at 902 Chapala Street. Commissioner Drury would be leaving the meeting by 5:00 p.m. and Commissioner Sharpe would be leaving the meeting by 4:30 p.m. Commissioners Murray and Orías would be absent.
- b) At the last few meetings, Commissioner Orías had requested information about a possible replacement for the Italian Stone pine tree that was removed from the corner of E. Anapamu and Garden Streets. Street Tree Inspector Randy Fritz informed staff that the Parks and Recreation Department intends to replant a 24-inch box Italian Stone pine tree in that location. The intersection of Garden and E. Anapamu Streets has much more traffic than when the original pines trees were planted, and because the replacement tree will have low, dense foliage for at least 15 years, accommodations will need to be made to replace this tree in-kind. A panel of concrete will be removed to expand the tree planter and attempt to move the tree 10 feet further back from the corner to reduce visibility issues. The plan is to have this tree planting take place during the second or third week of June.

E. Subcommittee Reports.

No subcommittee reports.
