THE HISTORIC LANDMARKS COMMISSION WILL HOST TWO PUBLIC WORKSHOP MEETINGS TO DISCUSS POTENTIAL HISTORIC DISTRICTS

The City of Santa Barbara Planning Division has completed historic resource surveys for several neighborhoods in Santa Barbara and several potential Historic Districts have been identified.

We invite you to learn more information about the historic survey results and the following potential Historic Districts:

- **West Downtown Castillo Street**
- **West Downtown Lower De La Vina Street**
- **West Beach**
- **Bungalow Haven**

Find out:

- **What is the “Potential Historic Resources List”?**
- **Why and how properties are included in a historic district?**
- **What is a contributing and non-contributing building?**
- **What is the proposed process to designate historic districts?**
- **How will the designation benefit your property and neighborhood?**
- **Preservation Incentives available to property owners**
