**GENERAL BUSINESS:**

## A. Public Comment:

Ms. Hernández reported that Virginia Rehling has appealed Item 2 of the August 26, 2015 meeting, which added 29-37 E. Victoria Street to the City's Potential Historic Resources List. Ms. Rehling pointed out that Administrative Regulations mandate that the HLC Designation Subcommittee recommend the item before it is reviewed by the HLC. The item will be reprocessed to appear before the Designation Subcommittee on October 21 and subsequently forwarded to the HLC. Commissioner Shallanberger recommended that the Administrative Regulations be adjusted to allow for the Urban Historian to recommend structures to be added to the Potential Historic Resources List directly to the HLC. Ms. Hernández stated that Jaime Limón and the City Attorney are working on updating the Administrative Regulations.

## B. Approval of previous meeting minutes.

**Motion: Approval of the minutes of the Historic Landmarks Commission meeting of September 9, 2015, with corrections.**

Action: Drury/La Voie, 5/0/2. (Suding and Winick abstained. Mahan and Murray absent.) Motion carried.

## C. Consent Calendar.

**Motion: Ratify the Consent Calendar as reviewed by Bill Mahan and Philip Suding (Landscape portion of Item B).**

Action: La Voie/Winick, 8/0/0. (Murray absent.) Motion carried.

## D. Announcements, requests by applicants for continuances and withdrawals, future agenda items, and appeals.

## 1. Ms. Hernández made the following announcements:

- a) Discussion Item #2, History of Trees, will be presented on Wednesday, October 7. La Voie/Mahan, 8/0/0. (Murray absent.) Motion carried.
- b) Item #8, 36 W. Gutierrez, will be postponed at the applicant's request. La Voie/Mahan, 8/0/0. (Murray absent.) Motion carried.
- c) Update on Channel Drive Transmission Tower enforcement case (ENF2015-00708): Mr. Limón reported that there is a temporary excavation of 250 burial vaults at the cemetery across the street, with a County grading permit. Due to the resulting dirt stockpile on the City parcel, a City permit will be required. Commissioner Orías requested a timeline for the operation, as she is worried about the safety of the trees. Mr. Limón replied that time limits will be understood once the permit application is filed. He stated that tree loss can be mitigated by new plantings, and in the interim, Stormwater Management Practices include tree protections. Mr. Limón also reported that regarding 29-37 E. Victoria Street, there have been no enforcement actions to date resulting from the HLC's referral to staff about code violations. The applicant is in the permitting plan check process for roof equipment, and determinations of what needs a permit and what is not in code regarding piping, lighting, and other infrastructure are still needed. No permit will be issued until these things are addressed. Mr. Limón assured the Commission that staff will be following up and issuing deadlines to the applicant.

- d) There will be a Designation Subcommittee Meeting on Wednesday, October 21, 2015 at 1:00 p.m. in the Director's Conference Room.
  - e) Next Tuesday, September 29, 2015, there will be a City Council hearing to designate the Santa Barbara News-Press building, the Peter Grant House, and the San Marcos Building as City Landmarks, as recommended by the HLC.
2. Commissioner Drury announced his visit to the MOXI children's museum. He reported that it was quite spacious, had an extraordinary view, and will be a jewel in downtown Santa Barbara.
  3. Commissioner Winick announced stepping down on Item 3; Commissioner Shallenberger stepped down on Item 9.
  4. Commissioner Veyna reported that on top of a building next to the Hill-Carrillo Adobe is a large apparatus covered in stickers; he asked if screening could be proposed. Mr. Limón encouraged the Commissioners to fill out a complaint form for such concerns, and staff would investigate.

E. Subcommittee Reports.

No subcommittee reports.
