Project Description: **Proposal to address violations listed in ENF2017-00369 and ZIR2017-00138 for**

The proposed project involves removing one unpermitted parking space, landscape planters in the parking area, a driveway at Wilson Street, and a wooden storage structure within the interior setback. A Modification by the Staff Hearing Officer for reducing the required open space to less than 10% of the net lot area is required.

You are invited to attend the hearing and address your comments to the HLC. The HLC is a Commission appointed by the City Council to review projects located within the El Pueblo Viejo district or involving City historic resources. Please note that the HLC may not have time to consider written comments received after 10 a.m. on the day of the meeting.
