## EXTERNAL

Members of the Historic Landmarks Commission,

The Santa Barbara Trust for Historic Preservation is pleased to see plans for external improvements to the City's Carrillo Gym progressing. The Gym is directly adjacent to El Presidio de Santa Barbara State Historic Park and abuts the perimeter wall of the Pico Adobe, a City Landmark. The proposed improvements, including restoring the original paint color, restoring the original steel windows, repairing and reinforcing the concrete exterior, and replacing the light fixtures and fencing on the rooftop court will provide clear aesthetic improvements, and will also help secure and waterproof the building to preserve it.

Thank you for your consideration of our support for this project,

Anne Petersen
