

**CITY OF SANTA BARBARA**  
**PARK AND RECREATION COMMISSION REPORT**

**AGENDA DATE:** January 24, 2007  
**TO:** Park and Recreation Commission  
**FROM:** Parks and Recreation Department  
**SUBJECT:** Change to Adapted Advisory Committee Membership

**RECOMMENDATION:** That the Commission decrease the membership on the Adapted Advisory Committee from 13 members to 9 members.

**DISCUSSION:**

Currently the Adapted Advisory Committee membership is composed of seven Community at Large, one Department of Rehabilitation, one Rehabilitation Institute, two Tri-Counties Regional Center, one UCSB Community Affairs Board, and one UPC/Work Inc. representatives. Due to the size and specialty of the committee, frequently membership spots remain vacant and are difficult to fill.

On December 7<sup>th</sup>, the Adapted Advisory Committee unanimously recommended to decrease the committee size by eliminating 3 Community at large and 1 Tri-Counties Regional Center membership. These memberships were vacant through 2006 and are currently vacant.

Staff concurs with the recommendation to reduce the size.
