

July 2007

Date: 3/17/07

Requested by: Sanford Shertzer

Address: 729 Fellowship Rd.

Location of Tree: 729 Fellowship Rd.

Tree Species: *Ficus microcarpa 'Nitida'* **Common Name:** INDIAN LAUREL FIG

Requested Reason for Removal: Please see attached letters, applications, information, and signatures regarding several Ficus trees on the 700-800 block of Fellowship Rd.

Species recommended by the Approved Plan:

Advisory Committee Recommendation: *Approve Removal:* *Deny Removal:*

Staff Recommendation: *Approve Removal:* *Deny Removal:*

Date Posted: 7/10/07

Comments: The Committee and staff determined that based on the application's reason for removal the request/reason does not meet the criteria for removal. Sewer lines repair is not a valid justification for its removal. The Committee decided to wait for Public Works to repair the sidewalk and have the tree roots inspected during repair before making any decision.
