

August 2007

Date: 7/13/07

Requested by: John & Ruth Malengo

Address: 2433 Calle Andalucia

Location of Tree: 2433 Calle Andalucia

Tree Species: Bauhinia variegata **Common Name:** PURPLE ORCHID TREE

Requested Reason for Removal: Has not been pretty for several years and appears to be diseased.

Species recommended by the Approved Plan: *Arbutus 'Marina' tree*

Advisory Committee Recommendation: *Approve Removal:* *Deny Removal:*

Staff Recommendation: *Approve Removal:* *Deny Removal:*

Date Posted: 8/6/07

Comments: Tree removal was approved by staff and Committee because the tree is in poor health and in its current condition is not an asset to the neighborhood. The Committee recommended that the tree be removed by the City, and replaced with a (15) gallon *Arbutus 'Marina' tree*.
