*Advisory Committee Recommendation:* *Approve Removal:*  *Deny Removal:*

*Staff Recommendation:* *Approve Removal:*  *Deny Removal:*

*Comments:* The Committee and staff recommend that the Commission approve removals on the condition two replacement trees be planted. The Committee and staff determined there were sound arboricultural reasons to remove these trees. The trees have not been fulfilling their jobs as trees, have no canopies, and look like they may not recover. In addition one of the trees is too close to the water meter.
