*Date Posted:* 2/12/08

*Comments:*      The Committee and staff recommend that the Commission approve removal. The Committee and staff approve removal with the condition that applicant attempts to find a vendor to take the tree for planting elsewhere. The Committee and staff also agree to the proposed locations for street trees. If Public Works Traffic determines that one of the trees is a visibility hazard, then the tree should be placed on the Samarkand side of the property.
