PARK & RECREATION COMMISSION REPORT

AGENDA DATE: September 8, 2009

TO: Park and Recreation Commission

FROM: Parks Division, Parks and Recreation Department

SUBJECT: Street Tree Advisory Committee Recommendations

RECOMMENDATION: That the Commission:

- A. Partially approve the Setback Tree removal for 835 Deerpath Rd. – Fiona Fitzherbert – (6) *Eucalyptus globulus*, Blue Gum

The Committee (3/0) and staff recommend that the Commission approve the removal of one tree that has been topped below the wires. The Committee and staff recommend that the other five removals be denied and that two trees be pruned. The Committee recommends the owner consider removal of other non-native screening plants.

- B. Deny the Setback Tree removal request for 3665 Sunset Dr. – Angelo Brombal – *Cedrus deodara*, Deodar Cedar

The Committee (3/0) and staff recommend that the Commission deny removal and recommend trimming the tree away from the roof. The Committee and staff determined the tree is healthy and does not present a current hazard. The Committee and staff determined the reasons provided by the applicant are not sufficient to justify removal.
