

DEPARTMENT SUMMARY

Parks and Recreation

Provide residents and visitors with diverse open space, parks, beaches and community forest resources, creek restoration and water quality enhancements and enrich people's lives through a broad array of recreation and community services.

About Parks and Recreation

The Parks and Recreation Department is comprised of 5 divisions: Administration, Parks, Recreation, Creeks and Golf. The Department manages a diverse and unique park and recreation system – 1,765 acres of parkland encompassing 59 developed and open space parks, beaches, recreation and sports facilities, community forest and municipal golf course.

Recreation programs engage people of all ages, with specialized programs for youth, teens, active adults, low-income families and people living with disabilities. Recreation opportunities for the community are enhanced through collaborations, partnerships and volunteers.

The Creeks Restoration and Water Quality Improvement Program, funded by Measure B, implements clean water and restoration projects city-wide.

The City's 18-hole municipal golf course, Santa Barbara Golf Club, is well known for the exceptional quality of its greens and spectacular views.

Fiscal Year 2011 Budget Highlights

Manage department programs and services through challenging fiscal times to protect park and recreation resources, offer accessible, high quality recreation programs and respond to community priorities.

Work with City Administration and the community to improve how the City provides outreach and services to underserved neighborhoods and strengthen outcomes for youth and families.

Partner with the South Coast Gang Task Force and coordinate the Youth Jobs Network, a local collaboration of programs fostering youth job readiness and employment opportunities.

Implement a strategic plan to increase fundraising, grants and donations to support department programs and projects.

Provide leadership in the implementation of the multi-jurisdictional Front Country Trails Management Recommendations to address trail use, maintenance, and management.

Complete the renovation of the Carrillo Recreation Center, funded by the Redevelopment Agency.

DEPARTMENT SUMMARY

Parks and Recreation

Response to Economic Crisis

The decline of City General Fund tax revenues affects three of five Parks and Recreation Department divisions - Parks, Recreation and Administration. The Golf Course and Creeks Program do not receive General Fund support. The Department's FY 2011 budget includes \$476,476 in budget adjustments, achieved through new revenues and expenditure savings. These adjustments add to the \$1.5 million in cost saving measures implemented in the current fiscal year.

The last two years have taken a heavy toll on the General Fund supported Parks and Recreation divisions. Since Fiscal Year 2009, General Fund support for parks maintenance, operation and maintenance of recreation facilities, and recreation programs has decreased 28.4%, with a comparable workforce reduction of 18%. During the same period, capital funding has been cut by \$707,371, reducing or eliminating funding for eight park or recreation facility improvements. The City's 6-Year Capital Improvement Program includes over \$32 million in unfunded improvements to existing park and recreation facilities.

New/Enhanced Revenues (\$48,100)

The Department Budget includes \$48,100 in new and enhanced revenues. New concessions in Chase Palm Park and East Beach, and a portable ATM on-site during the Sunday Art Shows will enhance the park visitor experience. The Department is working with co-sponsors and partners who use City parks and facilities to increase their contribution towards maintenance of those facilities (i.e., Pony Baseball, Santa Barbara Swim Club, MacKenzie Park and Santa Barbara Lawnbowls Clubs, Major League Softball).

Workforce Reductions and Related Adjustments (\$328,252)

The FY 2011 budget includes a total reduction of 3.4 full-time equivalent (FTE) positions, including eliminating 3 positions and reducing 2 positions to half-time. All position reductions are vacant or have planned retirement. In addition, hourly staff support are reduced by 2167 hours, equaling 1.0 FTE. This brings the total Parks and Recreation FY 2011 workforce reduction to 4.4 FTE. The cost reduction measures include the following:

- Eliminate a vacant Teen Center Coordinator (.80 FTE) position and continue to operate the center with hourly staff. Following the December 2009 vacancy, outreach, operation and programming of the center has been provided by hourly staff; programming and attendance has increased over the previous year (\$59,014).
- Reduce Department Administration by 2 FTE, reflecting workforce reductions throughout the Department and decentralized customer service operations. Eliminate vacant Business Manager and Administrative Specialist following August 2010 retirement; and maintain salary savings from one Administrative Specialist on extended leave. As a result, the public service desk at 620 Laguna St. will close with services provided in other Recreation offices, causing a

DEPARTMENT SUMMARY

Parks and Recreation

moderate inconvenience to customers. Reduced administrative staffing creates workload impacts for capital projects, planning, and special projects (\$220,197).

- Reduce two vacant positions (Pool Maintenance Technician and Grounds Maintenance worker I) to .5 FTE. Increase the Pool Manager from .80 to 1.0 FTE to assist with pool maintenance (\$49,041).

Reductions in Non-Personnel Costs (\$100,124)

- Decrease General Fund support for the Downtown Organization State Street maintenance contract by 10% (5% reduction overall as Downtown Parking provides 50% of funding), resulting in less maintenance of State Street sidewalks and landscape (\$31,000).
- Delay replacement of rental facility equipment (i.e., tables, chairs, etc.); equipment may look worn or be slightly damaged due to delayed replacement (\$13,000).
- Transfer operation and maintenance of the Twelve 35 Teen Center to the Police Activities League or other teen serving non-profit effective September 2010. Existing services and programs will continue and new teen programming will enhance services. General Fund savings include staffing and building operation and maintenance costs. It is anticipated that savings will grow in future years (\$44,566).
- Transfer Las Positas Tennis Facility to Elings Park Foundation as of September 2010. Elings Park to assume all programming, maintenance, operation and capital expenses. Public tennis programs including drop-in play, classes, camps, etc., would continue under Elings' management. Future year savings will be greater. Elings will assume approximately \$1.1 million in identified facility improvements, unfunded in the City's Capital Improvement Program for many years, to improve the facility for park users and tennis players alike (\$11,558).

Impacts to Programs and Services

In developing budget reduction options, Parks and Recreation focused on:

- Restructuring around vacancies with sufficient resources in place to maintain quality programs and services
- Increasing funding by organizations that use City parks and facilities to offset maintenance costs
- Protecting critical public services that are less accessible to the underprivileged or low-income or are not provided elsewhere in the community

DEPARTMENT SUMMARY

Parks and Recreation

- Transferring facilities/services to other service providers, provided current services to the public are continued
- Protecting park and facility resources to the greatest degree possible, above programs where needed, so that the community continues to have access to recreational spaces.

RECENT PROGRAM ACHIEVEMENTS

Two major construction projects completed, including the Golf Course Safety Improvement Plan and the Upper Las Positas Creek Restoration Water Quality Improvement project.

Golf Course

(Program No. 6711)

Mission Statement

Provide a quality and affordable golf experience for all ages and abilities, through the collection of golf greens fees to support operational costs.

Program Activities

- Coordinate golf services, including daily play, tournaments, lessons, equipment rental, driving range, and food service.
- Maintain 108 acres of land (85 acres of developed golf area).
- Oversee the maintenance of equipment.
- Maintain facilities, including the Pro Shop, parking lot, and walkways.
- Implement capital improvement projects.

Key Objectives for Fiscal Year 2011

- Achieve greens fee revenue per round of \$ \$28.61.
- Achieve concession revenue per round of \$4.87.
- Maintain \$27.19 maintenance cost per round of golf.
- Achieve golf course facility use of 61,657 rounds of golf.
- Achieve sales of 575 Frequent User 7-day play discounts.
- Maintain the number of reportable injuries at 1 or less by holding monthly co-worker safety meetings.
- Complete 100% of monthly vehicle inspection reports for each golf vehicle.
- Complete 90% of maintenance activities in accordance with Golf Division Maintenance Standards; utilizing daily job tasking and work schedules.
- Complete pesticide usage reports on-time as required by the County Agricultural Commissioner on a monthly basis.
- Irrigate golf course using daily 24-hour evapotranspiration data. Track daily usage using irrigation log printouts. Reduce consumption by 10-15% during the months of April – September.
- Import 175 cubic yards of compost (comprised of City's bio-solids) from a local contracted compost generator for the purpose of top dressing turf and amending soil.
- Expand tree pruning effort to manage shade on the greens to reduce fungal growth.

Key Objectives for Fiscal Year 2011 (Cont'd)

- Divert from the landfill, 70% of waste generated at the golf course.
- 🌿 Spray compost tea and/or effective micro-organisms on greens bi-weekly to increase microbial activity in soil and decrease use of fungicides.
- 🌿 Keep the number of fungicide applications to the greens at 8 or less. Import 24 yards tree chipper brush trimmings for weed control and water retention in site landscaping.
