Memorandum

DATE: November 16, 2011

TO: Parks and Recreation Commission

FROM: Karla Megill, Executive Assistant

SUBJECT: Telephone Message for Parks and Recreation Commission
Regarding De La Guerra Concept Plan

The following telephone message was received on October 27, 2011, at 2:41 p.m., from Erlaine Seeger regarding the Concept Plans printed in the Santa Barbara News-Press today on October 27, 2011.

Ms. Erlaine Seeger commented that the plans reflect a paved area in the form of a "cross", which is currently a grassy area. Ms. Seeger said that she does not think the paved area should be in the form of a cross because there are various different religions represented in Santa Barbara.

Ms. Seeger asked that this message be passed on to the Parks and Recreation Commissioners.
