

CITY OF SANTA BARBARA
PARKS AND RECREATION COMMISSION REPORT

AGENDA DATE: December 18, 2013
TO: Parks and Recreation Commission
FROM: Parks Division, Parks and Recreation Department
SUBJECT: Street Tree Advisory Committee Recommendations

RECOMMENDATION: That the Commission:

A. Conditionally approve the following Setback Tree removal request:

1. 3940 Maricopa Dr. – *Pinus halepensis*, Aleppo Pine – Valerie Villa

The Committee recommends (5/0) that the Commission approve the removal request on the condition the applicant replace with at least two (2) Japanese Maple trees that can achieve a height of 20'. The Committee determined that due to a disease in this tree that can infect other pine trees and a large wound from a branch that had broken out, the condition and structure of the tree warrants removal.
