

CITY OF SANTA BARBARA

PARKS AND RECREATION COMMISSION REPORT

AGENDA DATE: June 24, 2015

TO: Parks and Recreation Commission

FROM: Parks Division, Parks and Recreation Department

SUBJECT: Street Tree Advisory Recommendations

RECOMMENDATION: That the Commission:

A. Conditionally approve the following Street Tree removal request:

1. 113 Las Ondas – *Melaleuca quinquenervia*, Cajeput Tree – Michael Bell

The Committee (4/0) recommends that the Commission approve the removal on the condition a designated street tree, (*Ulmas parvifolia*, Chinese Elm) be planted in replacement of the removal. The Committee determined the current tree placement is inconsistent with the Street Tree Master Plan. There is room for a new tree to the south of an existing private walkway.

B. Approve the following Setback Tree removal request:

1. 425 Loma Alta Dr. – (2) *Juniperus chinensis 'Torulosa'*, Twister Juniper – Salvi and Karen Dellabarca

The Committee (4/0) recommends that the Commission approve the removals. The Committee determined the trees are in decline, and their placement impedes pedestrian access.

C. Conditionally approve the following Setback Tree removal request:

1. 1585 Overlook Ln. – *Pinus radiata*, Monterey Pine – Jan Ferrell

The Committee (4/0) recommends that the Commission approve the removal on the condition the applicant replace with a minimum 15-gallon tree. The Committee determined the tree is in decline, and the neighborhood would benefit from the proposed removal and replacement.
