Connect to an active life. Connect to the outdoors.

Healthy People Healthy Trails encourages you to live an active life while enjoying the outdoors. Our goal is for you to enjoy being active in our local parks and open spaces. Physical activity is an important component to good health. Walking may be the simplest way to exercise. People of all ages and abilities can enjoy walking outdoors as a form of daily physical activity. You can walk in a park, on a path or sidewalk.

Tips to Get Started

- Wear comfortable shoes and sunscreen
- Bring a hat and water
- On hot days, walk during a cooler time of the day

Trails at a Glance

Trails are mostly flat, paved, or packed dirt and are generally suitable for walkers, joggers, strollers, small children, and dogs on leash. Most trails here will take about 1 hour to complete at a comfortable pace. You can make any trail shorter or longer to fit your comfort level.
