

CITY OF SANTA BARBARA
PARKS & RECREATION COMMISSION REPORT

AGENDA DATE: September 28, 2016

TO: Parks and Recreation Commission

FROM: Administration Division, Parks and Recreation Department

SUBJECT: Advisory Committee Liaison Appointments

RECOMMENDATION: That the Commission review and consider advisory committee liaison appointments.

DISCUSSION:

The Commission typically reviews and appoints liaisons to advisory committees that fall within the purview of the Commission each year during April, or whenever new Commissioners are appointed. With the appointment of new commissioners in June, and a recent vacancy, staff recommends that the Commission review and consider advisory committee liaison appointments at this time. This will enable Commissioners to re-evaluate their interests and ensure open communication continues between the advisory committees and the Commission.

The Commission briefly discussed this item during the August 24, 2015, meeting. At that time, Commissioner Lesner-Buxton expressed interest in serving as Liaison to the Neighborhood Advisory Committee. With that, vacancies remain on the Arts and Crafts Show Advisory Committee and the Creeks Advisory Committee. Since Commissioner Martinez Cohen was not present, the Commission continued this item to the September 28, 2016, meeting.
