## PHOTO AND FILM SHOOTS

The City of Santa Barbara offers one-stop photo and film/video permitting with Parks and Recreation as the lead department accepting applications, collecting fees, issuing the permits, and coordinating as many internal logistics among City departments such as Police, Fire, Public Works and Waterfront as possible for administrative convenience.

Fees for photo and film/video shoots include both permit and "facility use" fees. Permit fees apply to all photo and film/video shoots. If you plan to shoot in a City park, beach, Stearns Wharf or the Harbor, a facility use fee is charged, in addition to the permit fee. Fee rates depend on the location where photography or filming occurs. See the applicable Facility Use Fee charts below.

In situations where City personnel may be required to be present during the shoot, a fee for staff will be charged. See the Staff and Miscellaneous section below for further information.

## **OUTDOOR RENTAL FACILITIES**

### Categories:

The City of Santa Barbara provides the opportunity for public and private use of City parks and parkland. Uses such as picnics, wedding ceremonies and private gatherings, sporting events or

large community special events are categorized and fees are determined by the size, scope and duration of the event (except for group picnic sites, which are based on the site's area capacity.) Following are the categories and fee levels describe in the Outdoor Rental Facilities fee table.

Picnics P1 to P4	Based on group picnic area capacity
Private Gatherings PG1 to PG4	Corporate or individual private events. Limited to 10 hours, with a fee for extra hours beyond 10.
Wedding Ceremonies W1 to W3	Ceremonies limited to 4 hours. Can include locations other than designated reservable areas.
Sporting Events SE1 to SE6	Runs, walks, sporting tournaments, etc.
Public Events PE1 to PE6	Any event open to the public

#### Set Up and Break Down Days:

For larger outdoor events with extensive set up including canopies, stage, etc., set up and break down days will be assessed at 35% of the daily reservation fee per day or any part of one day. Dumpsters and portable toilets are exempt from the break down day charge if they are removed by 9am the following day.

#### Utility Hook Ups for De La Guerra Plaza, Mackenzie Park and Leadbetter Beach Events:

For De La Guerra Plaza and Mackenzie Park, gas, water and electrical hook ups may be made available for large public events. The activation of these utilities can either be accomplished through a licensed general contractor (or a licensed plumbing and licensed electrical contractor), or the Parks and Recreation Department can facilitate the hook-up requests through the Public Works Department. If the former is chosen, the Public Works Department will charge fees to supervise and inspect the work before and after the activation and require that a permit be obtained from the Building and Safety Department. A \$100-\$500 deposit is required to cover the estimated usage of the utilities with the amount is based on the number of utility boxes activated. Additional information on the fees and how to obtain the permit will be provided.

If the latter is chosen, approval is dependent upon Public Works' ability to schedule the necessary personnel to complete the required work for the event within the given timeframe. Requests must be submitted a minimum of four weeks in advance of the event. The base cost to activate/deactivate the plumbing is \$569.16 for the first box, plus \$94.86 per additional box. The base cost to activate/deactivate the electricity is \$141.90 for the first box and plus \$94.86 per additional box. A deposit of up to \$1,000 is also required to cover the estimated usage of the utilities.

For Leadbetter Beach, only water and electrical hook ups are available and the activation of these utilities is handled by park monitors, along with the reading of the water and/or electrical meters prior to and after the usage. Water usage is charged at \$10 per unit of water and electricity usage is charged at \$5 per kilowatt-hour or \$5 minimum. A deposit of up to \$100 is required to cover the estimated usage of the utilities.

**Vehicles in Park or Beach Areas Related to Permitted Events:**

The use of vehicles in parks and beaches is strictly controlled and restricted to authorized uses only. Unauthorized driving or parking of vehicles in park or beach areas related to permitted events will be cited and fined \$50 per vehicle.
