III. NEW ITEMS:

ACTUAL TIME: 1:08 P.M.

- A. **APPLICATION OF JAN HOCHHAUSER, ARCHITECT FOR 1722 STATE STREET INVESTORS, LLC, PROPERTY OWNER, 1722 STATE STREET, APN: 027-102-021, C-2 COMMERCIAL ZONE AND R-1 ONE FAMILY RESIDENCE ZONE, GENERAL PLAN DESIGNATION: GENERAL COMMERCE AND OFFICES (MST2005-00455)**

The project involves the construction of a 56,615 square foot three-story building that would provide both residential and commercial uses. The project would provide 12 residential condominium units (23,606 total square feet), and 9,100 square feet of commercial condominium space. Parking for the residential units and commercial uses would be provided in a 23,909 square foot below-grade parking area. The project proposes to provide 22 parking spaces for the residential uses and 33 spaces for the commercial uses, for a total of 55 spaces. Access to the underground parking garage would be provided by a single driveway located on State Street.

Ten (10) of the proposed residential units would be market rate units, and two would be inclusionary middle-income affordable units. Eight (8) of the market rate units would have two-bedrooms and would range between 1,771 and 2,349 square feet in size. Two (2) of the market rate units would have three bedrooms and would range between 1,988 and 2,680 square feet in area. Of the two affordable units, one would have two bedrooms (976 square feet) and the other would have three bedrooms (1,179 square feet).

A variety of commercial uses could be located in the proposed project, including a mix of specialty retail, general office and medical-dental office space.

The existing 7,500 square foot commercial building and parking lot would be demolished as part of the project.

The discretionary applications required for this project are:

1. A Zoning Map Amendment to change the zoning from R-1, One Family Residential, to R-3, Limited Multi-Family Residence Zone (SBMC §28.92.080.B);
2. A Modification to allow 55 parking spaces instead of the Santa Barbara Municipal Code required 63 spaces (SBMC §28.90.100.G & I and §28.92.110.A.1);
3. A Modification of the minimum lot area required to allow for 9 two-bedroom units and 3 three-bedroom units on a 28,875 square foot lot instead of the required 29,280 square feet of lot area in order to accommodate two inclusionary (bonus density) housing units (SBMC §28.21.080.G and §28.92.110.A.2);
4. A Development Plan to allow Minor and Small Additions for the construction of a 1,600 square foot increase of nonresidential development (SBMC §28.87.300);
5. A Tentative Subdivision Map for a one-lot subdivision to create twelve (12) residential condominium units and 15,576 square feet of commercial condominium space (SBMC §27.07 and 27.13); and
6. A Conditional Use Permit to allow nonresidential parking in a residential zone (SBMC §28.94.030 H).

The Planning Commission will consider approval of the Mitigated Negative Declaration prepared for the project pursuant to the California Environmental Quality Act Guidelines Section 15074.

B. APPLICATION OF EVERETT WOODY, ARCHITECT FOR JEFF & JULIE FRIEDMAN FAMILY TRUST, PROPERTY OWNER, 1014 GARDEN STREET, 029-221-026, R-3/ C-2 MULTIPLE FAMILY RESIDENCE AND COMMERCIAL ZONES, GENERAL PLAN DESIGNATION: OFFICES AND RESIDENTIAL, 12 UNITS PER ACRE (MST2007-00018)

The proposed project involves a proposal for a change in zone from R-3/C-2 to C-2, and a setback modification, both intended to abate two existing zoning violations. A recently permitted two-unit residential condominium project currently under construction does not meet the Solar Ordinance in the R-3 portion of the lot. A zone change to C-2 will abate this violation. The building was also permitted with an architectural column located up to the interior property line and within the interior yard setback. This encroachment was not previously recognized or approved as a modification to the interior yard. The discretionary applications required for this project are:

1. Initiation of a Rezone and Recommendation by the Planning Commission to City Council to change a parcel zoned R-3/C-2 to C-2 (SBMC, §28.92.020); and
2. Modification to allow a building encroachment within an interior yard setback (SBMC §28.21.060 and §28.92.110).

The Environmental Analyst has determined that the project is exempt from further environmental review pursuant to the California Environmental Quality Guidelines Section 15301, Existing Facilities, and 15305, Minor Alterations in Land Use Limitations.
