Please note that the following item has been withdrawn by the appellant.

**APPEAL OF STANTON HOWELL ON THE APPLICATION FOR 2420 CALLE GALICIA, APN 041-423-014, E-1 ONE-FAMILY RESIDENCE ZONE, GENERAL PLAN DESIGNATION: RESIDENTIAL 3 UNITS PER ACRE (MST2007-00518)**
The 10,000 square foot project site is currently developed with a single-family residence, attached garage, “as-built” pergola, fireplace, and counter. The proposed project involves legalization of the “as-built” structures. The discretionary applications required for this project are Modifications to permit the pergola, fireplace, and counter to be located within the required ten-foot (10’) interior yard setbacks (SBMC §28.15.060).

On January 16, 2008 the Staff Hearing Officer (SHO) approved the pergola with conditions and denied the fireplace and counter which are both located within interior yard setbacks. This is an appeal of that decision.

The Environmental Analyst has determined that the project is exempt from further environmental review pursuant to the California Environmental Quality Guidelines Section 15305.

The commercial portion of the project would consist of 12,851 square feet of commercial space that would be divided into five commercial condominium units. Utility and service areas would comprise an additional 3,450 square feet. The residential portion of the project would consist of 32 condominium units (27 market rate and 5 affordable). The proposal includes one more affordable unit than is required by the Inclusionary Housing Ordinance. A total of 122 parking spaces would be located within a two-level subterranean garage. The previous proposal under MST2005-00772 has been withdrawn.
