- l. If the towing of vehicles is deemed necessary, the Market shall comply with procedures for towing vehicles in accordance with applicable California Vehicle Code requirements, to ensure that a Police Officer of the City authorizes such towing.
- m. The Market shall be subject to the Parking and Business Improvement Area (P.B.I.A.) charge as determined by the Transportation and Parking Manager. The Market shall also pay a fee to compensate for the utilization

of the City's parking lots on Saturday as described in the Use Permit with the Redevelopment Agency.

- n. The Market shall be responsible for the cleaning of oil spots left by Market vehicles at both locations.
- o. The Market shall provide separate men's, women's, and handicapped restroom facilities on site during the operation of the Farmers Market if the Community Development Director deems that there is a need.
- p. The Market shall provide bicycle parking within the Cota Commuter parking lot or adjacent parkway.
- q. The Market shall pay for any additional lighting determined to be necessary by the Police Chief. If additional lighting is determined to be necessary, a lighting plan must be reviewed and approved in writing by the Building Official and be found consistent with the existing Outdoor Lighting Design Guidelines.
- r. The Market shall be fully responsible for providing recycling bins and necessary trash receptacles and disposal of such trash as required by County Environmental Health Services and the City. The Market shall comply with the terms of a standard reimbursement contract for cleaning services in the event that the site is not properly cleaned.
- s. The list of saleable products shall be limited to Agricultural Products (Certified and Non-Certified) as defined in the Direct Marketing Law. The following Non-agricultural Products are allowed: ocean fish, pesto, hummus, nut brittle, whole pies, and promotional items with the Farmers Market logo such as bags and caps; however, no handcrafted items shall be allowed.

The sale of Non-agricultural Products shall be limited to no more than 10% of the participants at each market place. The sellers of value-added products must also sell the raw agricultural product at the same market.

- t. Each person selling non-agricultural goods shall at all times maintain and display the certificate required pursuant to Municipal Code Section 5.32.035.C.2.(ii). The certificate shall be placed in a location that is clearly visible to all persons purchasing permitted non-agricultural goods and at a distance not greater than five feet from the non-agricultural goods being sold pursuant to the certificate.
- u. All foods must be produced, prepared, packaged, stored, transported, and marketed in compliance with County Environmental Health Standards.
- v. No food preparation will be allowed at the Market, with the exception of cooking demonstrations, providing free raw cut samples to customers, and the portioning of raw produce for sale, in accordance with the County Health and Safety Code.

- w. Certified wine may be sold in conjunction with the Market, and no more than two such booths shall be allowed.
- x. The Market shall maintain in good standing all necessary health permits for the operation of the market and shall be responsible for requiring all vendors be in possession of necessary health permits for all products sold.
- y. The Market shall comply with all State, County and City laws as they pertain to the operation of a Certified Farmers Market.
- z. All equipment that is used within the Farmers Market designated area that provide utility services, such as generators, compressors for refrigeration, etc., shall meet all Federal, State, County and City regulations, codes and ordinances regarding operation and use during the Farmers Market operational hours.

~~The Market shall provide to the City, for review and approval, Certificates of Insurance for public liability insurance to protect against loss from liability for damages on account of bodily liability and property damage arising from the encroachment and use of public lands by the Applicant. Such insurance shall name on the policy, or by endorsement as additional insured, the City of Santa Barbara, its officers, employees, and agents. Unless otherwise modified by the City's Risk Manger, such insurance shall include not less than one million dollars (\$1,000,000) of Comprehensive General Liability Insurance and Automobile Liability Insurance, including Bodily Injury and Property Damage coverage, together with such other and additional coverage as the City's Risk Manager may determine to be prudent. Insurance coverage must be maintained for the duration of the Farmers Market at this location. Additionally, the insurance must be kept current and the City is to be named as the Certificate Holder of Record.~~

~~The Market shall provide a copy (approved by the City Risk Manager) of the required Certificates of Insurance to the Transportation and Parking Manager.~~

- 5. The Market shall provide proof of owner authorization for usage of the parking lot at 130 E. Ortega Street, adjacent to the Cota Commuter parking lot at 119 East Cota Street, or any other private parking lot used by the Market. A Parking and Circulation Plan shall be submitted, for each site, to the Transportation and Parking Manager for review and approval.
- 6. The Market shall submit to the City Engineer a Traffic and Pedestrian Safety Plan, prepared by a traffic safety expert or firm acceptable to the City Engineer, that details an operations plan to assure that the Market will be operated and maintained in a manner that appropriately protects the public, Market patrons, Market participants from any and all unsafe traffic or vehicular risks which may occur in connection with using the licensed City property to the fullest extent reasonably possible. The Farmers Market Traffic and Pedestrian Safety Plan shall be reviewed

and approved by the City Engineer who shall indicate such approval in writing on the plan. The Market shall operate at all times in accordance with the Plan except for modifications to the Plan pre-approved in writing by the City Engineer. A copy of the approved Plan shall also be provided to the City's Risk Manager.

- B. The Conditional Use Permit shall remain valid for five (5) years from the date of issuance, expiring on ~~October 16, 2008~~ October 16, 2013.
