III. NEW ITEM:

ACTUAL TIME: 1:06 P.M.

**APPLICATION OF LISA PLOWMAN, PEIKERT GROUP ARCHITECTS, LLP,
AGENT FOR SECOND BAPTIST CHURCH, 1032 E. MASON ST.,
APN 017-133-005, R-2 ZONE, GENERAL PLAN DESIGNATION:
RESIDENTIAL, 12 DWELLING UNITS PER ACRE (MST2009-00332)**

The proposed project includes a new two-story, six-unit affordable senior apartment building in the existing Second Baptist Church parking lot. Each new unit would have one-bedroom and 540 square feet of floor area. The lot is currently developed with a 2,265 square foot church and an existing two-story 2,319 square foot residential duplex. The project includes converting the 1,599 square foot ground floor duplex unit to church use. The existing 720 square foot second floor "care taker's unit" would remain. The seven resulting rental dwelling units would be price restricted for low income seniors. The project would result in 3,864 square feet of non-residential use and 3,960 square feet of residential use on the 24,872 square foot lot. Twenty-two (22) automobile parking spaces and four bicycle spaces would be provided. State Density Bonus concessions and incentives were requested to allow a six-unit building in the R-2 Zone, outdoor living space consistent with the R-3/R-4 Zone requirements, and parking in the front setback.

The discretionary applications required for this project are:

1. Parking Modification to allow a reduction in the required parking (SBMC §28.92.110);
2. Front Setback Modification to allow encroachment of bicycle parking in the front setback (SBMC §28.92.110);
3. Conditional Use Permit to allow church use in the R-2 Zone (SBMC §28.94.030); and
4. Development Plan for the conversion of 1,599 sf of residential space to non-residential use (SBMC §28.87.300).

The Environmental Analyst has determined that the project is exempt from further environmental review pursuant to the California Environmental Quality Act Guidelines Section 15332 (Infill Development Projects).

IV. DISCUSSION ITEM:

ACTUAL TIME: 2:51 P.M.

DRAFT FISCAL YEAR 2010 - 2011 CAPITAL IMPROVEMENT PROGRAM

The City has prepared the Draft 2012-2017 Capital Improvement Program (CIP) identifying City capital projects that address the City's infrastructure and major equipment needs over the 6-year planning period. The CIP will be reviewed by the Finance Committee and approved by City Council. The Council will ultimately adopt an annual Operating and Capital budget for the coming fiscal year that will include the CIP projects and Streets Capital Improvement Program projects.

The CIP is being presented to the Planning Commission for the first time this year and includes the Street Capital Program review and approval process as required by the City's Circulation Element. The streamlined process provides the Planning Commission the opportunity to review and comment on the Street Capital Program and other Draft CIP projects. The Transportation Circulation Committee and the public have provided input regarding future Streets Capital Improvement projects and related Program budget development. Other Committees, Boards and Commissions that review and advise the City Council on various program areas have reviewed the CIP projects in their purview and have provided recommendations to the City Council.
