III. JOINT PLANNING COMMISSION AND STAFF HEARING OFFICER CONCEPT REVIEW:

ACTUAL TIME: 1:13 P.M.

RECUASALS: To avoid any actual or perceived conflict of interest, Commissioner Bartlett recused himself due to having been directly involved at one time with the project plans.

Commissioner Barlett left the dais at 1:14 P.M. Vice Chair Jostes continued the meeting.

APPLICATION OF MIKE GONES, AGENT FOR SHARON CLENET, 1213 HARBOR HILLS DRIVE, 035-480-037 (PORTION), 035-480-039, 035-480-040, 035-480-041, E-1, ZONE, GENERAL PLAN DESIGNATION: RESIDENTIAL, 3 UNITS/ACRE (MST2009-00385)

The purpose of this concept review is to receive feedback and direction from the Planning Commission and Staff Hearing Officer on requested modifications prior to continued processing of the pending application. Approval of the requested modifications would allow for the development of a single-family residence on the property. No formal action on the development proposal will be taken at the concept review, nor will any determination be made regarding environmental review of the proposed project.

Upon review and formal action on the application for the development proposal, the proposed project requires the following discretionary applications:
1. A Lot Area Modification to provide 44,479 sf where 45,000 sf is required (SBMC §28.15.080 & 28.92.110); and
2. A Street Frontage Modification to provide approximately 15 ft of public street frontage where 90 ft is required (SBMC §28.15.080 & 28.92.110).

Case Planner: Daniel Gullett, Associate Planner
Email: DGullett@SantaBarbaraCA.gov

Daniel Gullett, Associate Planner was joined by Victoria Johnson, Project Engineer, in giving the Staff presentation.

Kathleen Weinheimer represented the Applicant in giving the Applicant’s presentation. A majority of Commissioners stated that they could not support the Lot Area Modification because they could not make the findings for approval. The Commission was split on the Street Frontage Modification with concern remaining for the slope of the lot; some Commissioners could support it in the future with a reduced size residence because of the visibility of the site and the steep topography of the hillside.

Commissioner Stella Larson left the dais at 2:32 P.M, while Chair Bartlett returned to the dais.

IV. DISCUSSION ITEM:

ACTUAL TIME: 2:33P.M.

PLANNING COMMISSION'S REVIEW OF STAFF HEARING OFFICER ACTIONS.

A discussion with the Staff Hearing Officer and Planning Commission regarding the Staff Hearing Officer review process over the last year and a half.

Case Planner: Susie Reardon
Email: SReardon@SantaBarbaraCA.gov

Ms. Reardon provided the Staff presentation.

The Commission expressed confidence in the decision made by the Staff Hearing Officer and stated that a report to the Commission every other year was sufficient, unless a significant deviation in decisions made by the Planning Commission and Staff Hearing officer were to be found.
