Project Description: This parcel includes City Landmarks: "City Hall and California Pepper Tree." The project consists of lowering the grade of the lawn area to be flush with the U-road; replacing the U-road surface and sidewalks in concrete; eliminating five curbside parking spaces in the U-road; adding one parking space on De la Guerra Street; widening the sidewalk by 4.5 feet on the western side of the Plaza; adding a new crosswalks across De la Guerra Street at the Plaza entry; installing new amenities including lighting; replacing and upgrading of underground utilities including electrical, water, gas and sewer lines; relocating the electrical main panel from the lawn area; relocating flag poles; installing landscape improvements (tree replacement and lawn/turf reduction); and installing removable bollards and truncated domes between the lawn and road surface.

Environmental Impact Report (EIR) Scope of Analysis: The City of Santa Barbara will be the Lead Agency and will prepare an EIR to evaluate impacts of the proposed project. The purpose of an EIR is to provide decision-makers and the public with information that enables them to consider the environmental consequences of the proposed project. The EIR would identify potentially significant effects, and any feasible means of avoiding or reducing these effects through project redesign, the imposition of mitigation measures, or implementation of alternatives to the project. An analysis of the project's impacts on Historic Resources and Circulation will be included in the EIR.

An Initial Study, describing potentially significant impacts (Cultural Resources) as well as potentially significant, but mitigable, and less than significant impacts in other issue areas, is available for review at the City Planning Division located at 630 Garden Street between the hours of 8:00 a.m. to 4:30 p.m., Monday through Thursday, and every other Friday, or online at www.SantaBarbaraCA.gov/eir. Please check our website to verify office closure dates.

Comments: Comments on the proposed EIR scope of analysis are invited from public agencies, community interest groups, and individual members of the public. We request the views of public agencies as to the scope and content of environmental information be germane to agency statutory responsibilities for the project. Some agencies may need to use the EIR prepared by our agency when considering approvals for the project. Please provide the name of an agency contact persons, if applicable.

Written comments on the EIR scope of analysis identified in the Initial Study should be sent at the earliest possible date, but **received not later than Monday, October 3, 2011, at 4:30 p.m.** Please send your written comments to the attention of Kathleen Kennedy, Associate Planner, at the above address or KKennedy@SantaBarbara.CA.gov.
