**INITIATION OF HOUSING ELEMENT UPDATE**

The Planning Commission considered initiation of a General Plan Amendment to update the Housing Element of the City's General Plan in accordance with State law. State law requires that Housing Elements be updated at least every five years with mandatory review and certification by the State Department of Housing and Community Development (HCD). The City's Housing Element was last certified by HCD in 2012. Due to legislative changes associated with the adoption of the Sustainable Communities Strategy (SCS) and a new 8-year planning period (2015-2023), the Housing Element will be updated to comply with this new timeframe. Substantial policy changes are not anticipated as part of the update. It is primarily an update of housing information related to existing and projected community housing needs and quantified objectives to meet those needs.
