**III. NEW ITEM:**

**350-352 HITCHCOCK WAY, APN 051-240-003, E-3/P-D/S-D-2 ZONES, GENERAL PLAN DESIGNATION: COMMERCIAL/MEDIUM HIGH RESIDENTIAL (MST 2014-00015 AND MST2015-00090)**

The proposed project would subdivide an existing 5.08 acre lot at 350 Hitchcock Way into two lots; a 2.68 acre lot on the south (existing DCH Lexus of Santa Barbara) and a 2.80 acre lot on the north (proposed project site). The two lots would include a shared access easement for an existing automobile entrance at the proposed boundary between the two parcels. The proposed project lot includes a bicycle and pedestrian easement to the City of Santa Barbara granted on December 17, 2015.

The proposed project would also demolish a one-story automobile car dealership showroom and service center and construct a new 36,752-square foot two-story automobile dealership showroom and service center. On June 2, 2015 the City Council allocated 39,000 square feet of Community Benefit floor area for construction at the project site.

The proposed development includes an automobile showroom, office space, parts inventory storage, indoor vehicle storage and light maintenance area, and service bays. The project would provide 16 bicycle parking spaces and 99 automobile parking spaces; 58 standard, 29 valet indoor storage, 4 accessible, 6 clean air/vanpool, and 2 electric vehicle. The proposed project would employ a pager system to communicate with staff on site in order to avoid off-site noise impacts associated with a public address system. The project would also employ downward directional shielded light emitting diode (LED) outdoor lighting which would not introduce new off-site lighting in residential areas, but would expose Hitchcock Way and the adjacent auto dealership to minor increase in light pollution. This lighting system would be dimmed outside of operating hours (8:30 A.M.-8:00 P.M. for weekdays, 9:00 A.M.-7:00 P.M. for Saturdays, and 10:00 A.M.-6:00 P.M. for Sundays).

The discretionary applications required for this project are:

- A. A Tentative Subdivision Map to allow the division of one parcel into two lots (SBMC Chapters 27.07);
- B. A Development Plan to develop 36,752 square feet of Community Benefit non-residential floor area (SBMC Chapter 28.85);
- C. A Development Plan for a new automobile dealership in the Planned Development Zone (P-D) (SBMC Chapter 28.39).

The Environmental Analyst has determined that the project is exempt from further environmental review pursuant to the California Environmental Quality Act Guidelines Section 15183.
