III. CONTINUED ITEM

NEW ZONING ORDINANCE CONTINUED FROM MARCH 9, 2017

The Draft New Zoning Ordinance (NZO) proposes updates and new formatting for the Zoning Ordinance, which is Title 28 of the City's Municipal Code. The Zoning Ordinance establishes the zone classifications, permitted uses in each zone, development standards and regulations, and the development review process for the City. Development standards related to growth, such as residential density, and amount of nonresidential growth allowed remain unchanged. The majority of the proposed changes consist of reformatting and modernizing language, and clarifying existing regulations; however, a number of changes to zoning regulations are proposed. The legislative actions required include:

1. General Plan Map Amendment to re-designate Veronica Meadows Specific Plan Area A (APN 047-010-064) from Low Density Residential (Maximum 2 dwelling units/acre) to Open Space;
2. Amendment to the Certified Local Coastal Program Implementation Ordinances (SBMC §28.44.250.D); and

3. Amendment to Title 28 (Zoning Ordinance & Zoning Map), Title 29 (Airport Zoning Ordinance & Airport Zoning Map), Specific Plan 9-Veronica Meadows, Title 9 (Public Peace and Safety), Title 22 (Environmental Policy and Construction), Title 27 (Subdivisions), and related Titles of the Santa Barbara Municipal Code (SBMC §28.92.020). The Planning Commission will make a recommendation to City Council for changes to Titles 27, 28, and 29.

The Environmental Analyst has determined that the proposed amendments are implementing actions of the 2011 General Plan and within the scope of the Certified Final Program Environmental Impact Report (EIR) for the General Plan. An Addendum to the Certified Final General Plan Program EIR provides documentation of environmental analysis of the proposed amendments under California Environmental Quality Act (CEQA).
