APPLICATION OF LAURA BRIDLEY, APPLICANT FOR PHILIP K. BATES III, PROPERTY OWNER, 408 N HOPE AVE, APN 053-430-064, RS-7.5/USS ZONES, GENERAL PLAN LAND USE PLAN DESIGNATION: LOW RESIDENTIAL, MAX 5 DU/AC (MST2017-00097)

The project consists of the subdivision of an existing 0.65 acre (28,427 square feet.) residential parcel into two lots, located in the Low Density Residential (5 du/ac) General Plan Designation and Single Residential (RS-7.5/USS) Zone. Proposed Lot 1 will be 0.43 acre (18,788 square feet) and Lot 2 is proposed to be 0.22 acre (9,639 square feet). Proposed Lot 1 includes the existing single-residential dwelling, carport and accessory buildings that will be maintained. Proposed Lot 2 is vacant and does not include development of a residential unit at this time. The existing parcel is a flag lot and currently provides access for two existing lots fronting North Hope Avenue. With the proposed subdivision the private driveway will provide access to a total of four lots. The physical changes associated with the subdivision include public accessibility improvements within the public right-of-way to meet city standards, and establishing new utility (sewer) connections. Water service is provided by Lincolnwood Mutual Water Company, a private water company, and is not served by City Water.

The discretionary applications required for this project are:

1. A Tentative Subdivision Map to allow the division of one 0.65 acre (28,427 square feet) parcel into two lots (SBMC Chapter §27.07);
2. A Street Frontage Modification to allow proposed Lot 1 without street frontage (SBMC §30.20.030, and SBMC §30.250.020.B);
3. A Street Frontage Modification to allow proposed Lot 2 without the minimum 60-foot public street frontage requirements (SBMC §30.20.030, and SBMC §30.250.020.B);
4. A Public Street Waiver to allow a subdivision creating lots without public street frontage to be served by a private driveway (access easement), which serves more than two lots (SBMC §22.60.300).

The Environmental Analyst has determined that the project is exempt from further environmental review pursuant to the California Environmental Quality Act Guidelines Section 15315 (Minor Land Divisions).

Approved the project, making the findings for the Tentative Subdivision Map, Street Frontage Modifications and a Public Street Waiver as outlined in the Staff Report dated May 3, 2018, subject to the Conditions of Approval as outlined in the Staff Report, with revisions to the Conditions of Approval.
