## NOTICE OF A PUBLIC HEARING OF THE PLANNING COMMISSION ON POTENTIAL ORDINANCE AMENDMENTS TO REGULATE MOBILEHOME AND PERMANENT RECREATIONAL VEHICLE PARK CONVERSION TO OTHER USES

**THURSDAY, JUNE 6, 2019  
1:00 P.M.\*  
CITY HALL – 735 ANACAPA STREET  
CITY COUNCIL CHAMBERS**

The Santa Barbara City Planning Commission will hold a public hearing on Thursday, June 6, 2019 to discuss and consider potential amendments to the Santa Barbara Municipal Code to regulate the conversion of mobilehome or permanent recreational vehicle parks to other uses.

When a park owner proposes to convert an existing mobilehome park to another use, or to close a mobilehome park or to cease using land as a mobilehome park, current provisions of state law, as set forth in Government Code Sections 65863.7 and 66427.4 and Civil Code Section 798.56, authorize the City to require the person proposing the change of use to file and distribute a report on the impact of such change and further authorize the City to require measures to be undertaken to mitigate the adverse effects of the change of use upon the residents of the mobilehome park who would be displaced by such change. The City Council has determined that mobilehome parks and permanent recreational vehicle parks are an important source of affordable housing within the City of Santa Barbara. The proposed ordinance will establish mitigation measures to prevent the conversion, closure or cessation of use of mobilehome parks from having a substantial adverse effect upon park residents in terms of cost of relocation, scarcity of similar comparable housing within a reasonable proximity to the City, and the significantly higher costs of other types of housing in the immediate area if park residents cannot relocate to other mobilehome parks.

The purpose of this meeting is for the Planning Commission to hold a public hearing and discuss the opportunities, challenges and issues regarding the conversion ordinance. The Planning Commission will be asked to make a recommendation to Council on the proposal.
