Brian Slagle, present.

Staff comment: Jaime Limón, Design Review Supervisor, stated that the sign ordinance and sign design guidelines are not very specific about how a directory sign should be designed. The maximum size for a sign is 10 square feet and repetitive signs should be eliminated to not exceed the allowable signage for the site.

Motion: Continued four weeks with the following comments: 1) Restudy the sign. 2) The use of photographs is not acceptable. 2) The use of logos could be acceptable as long as it is done in an orderly way. 3) It was suggested to simplify the original directory sign by eliminating all the site information except for the restroom icons and to use blocks of colors with the tenant's names. 4) The background color is to match the white of the building.

Action: Redd/Ziemer, 3/0/0.
