

CITY COUNCIL ACTS TO RE-ESTABLISH FULL SIGN COMMITTEE

On Tuesday, May 23, 2017, City Council approved the re-establishment of the full Sign Committee, which had been temporarily scaled down in 2010 due to the recession and reductions in staffing. Over the last seven years, sign proposals have been reviewed in two separate ABR or HLC “Consent” Sign meetings. With the recent reinstatement of the Sign Committee, one bi-weekly meeting will occur every other Tuesday morning. Meetings will be held at 9:00 am in the David Gebhard Public Meeting Room, at 630 Garden Street, beginning on July 18th, 2017. The Sign Committee will comprise three primary members, with two alternate members, one from the ABR and one from the HLC, serving as needed to meet quorum requirements.

The lower-level Conforming sign review will still occur, and will be condensed from two separate meetings into one weekly meeting every Tuesday morning.
