

NOTICE OF PUBLIC HEARING OF THE SINGLE FAMILY DESIGN BOARD

The Single Family Design Board (SFDB) will hold a public hearing to give the public an opportunity to be heard and offer comments early in the review process on architectural design related issues regarding the subject property below:

117 E ISLAY ST

Application Number: MST2009-00203

Assessor Parcel Number: **027-041-011** Zone: E-1

Owner: JEFFREY & CHERYL LONG

Project Description: **Proposal to combine two existing houses and garages into one single-family residence. A permit was issued in 1987 for this work and the permit expired. The project includes a 785 square foot addition to the first floor, a new 806 square foot second story, demolition of 186 square feet of a garage within the setback, a new 405 square foot detached two car garage, a covered roof deck tower element, a new patio and trellis, and complete remodeling. The portions of the existing houses that encroached into the interior setback will remain. The proposed total of 3,562 square feet on the 10,473 square foot lot is 93.5% of the maximum floor to lot area ratio. Planning Commission approval of a modification is requested to exceed 85% of the maximum floor to lot area ratio in combination with building height greater than 25 feet.**

Public comments will be allowed during review of the project by the SFDB. The SFDB is a body appointed by the City Council to focus on neighborhood compatibility, aesthetics, and design issues. Comments on private views and privacy issues are only partially within the SFDB's authority. Due to time constraints, individual comments may be limited to two minutes. Written comments are also welcome up to the time of the hearing, and should be addressed to the City Planning Division, P.O. Box 1990, Santa Barbara, CA 93102-1990, or by e-mail to SFDBSecretary@SantaBarbaraCA.gov.

This hearing is for design review only. If the project requires approval by the Planning Commission or the Staff Hearing Officer, you will receive a notice for that public hearing.
