

NOTICE OF PUBLIC HEARING OF THE SINGLE FAMILY DESIGN BOARD

The Single Family Design Board (SFDB) will hold a public hearing to give the public an opportunity to be heard and offer comments early in the review process on architectural design related issues regarding the subject property below:

2717 EL PRADO RD

Application Number: MST2010-00113

Assessor Parcel Number: **051-281-009**

Zone: **E-3/SD-2**

Owner: PETRAITIS, LISA A

Project Description: **Proposal for a 822 square foot below grade addition and a 496 square foot second story accessory space addition above the existing detached 356 square foot two-car garage. The project includes a new pool, terraces, stairs, planters, and retaining walls. Also proposed is removal of a trellis to be replaced with a new covered patio at the rear of the existing 1,563 square foot one-story single-family residence. The proposed 2,648 square feet includes a 50% deduction of partially below grade square footage, resulting in a total of 71% of the maximum floor to lot area ratio on the 10,557 square foot lot. Staff Hearing Officer approval of modifications is requested for a second-story guard rail to encroach into the interior setback and for the accessory space to exceed the maximum allowable 500 square feet.**

Public comments will be allowed during review of the project by the SFDB. The SFDB is a body appointed by the City Council to focus on neighborhood compatibility, aesthetics, and design issues. Comments on private views and privacy issues are only partially within the SFDB's authority. Due to time constraints, individual comments may be limited to two minutes. Written comments are also welcome up to the time of the hearing, and should be addressed to the City Planning Division, P.O. Box 1990, Santa Barbara, CA 93102-1990, or by e-mail to SFDBSecretary@SantaBarbaraCA.gov.

This hearing is for design review only. If the project requires approval by the Planning Commission or the Staff Hearing Officer, you will receive a notice for that public hearing. The scope of this project may be modified under further review.
