Address: **2105 ANACAPA STREET**
Application Number: **MST2008-00311**

Project Description: Proposal to construct a new 2,735 square foot, one-story residence above an existing 1,752 square foot basement, and add a 1,405 square foot partial basement and attached two-car garage. The proposed total of 5,892 square feet of development on a 9,372 square foot lot is 97% of the required maximum floor-to-lot area ratio (FAR). This project has received Project Design Approval and Final Approval. A Review After Final is requested for an additional three square feet and altered foundation walls in the garage for compliance with minimum garage dimensions. The revised project requires Staff Hearing Officer review for an additional zoning modification.

Public comments will be allowed during review of the project by the SFDB. The SFDB is a body appointed by the City Council to focus on neighborhood compatibility, aesthetics, and design issues. Comments on private views and privacy issues are only partially within the SFDB's authority. Due to time constraints, individual comments may be limited to two minutes. Written comments are also welcome up to the time of the hearing, and should be addressed to the City Planning Division, P.O. Box 1990, Santa Barbara, CA 93102-1990, or by e-mail to SFDBSecretary@SantaBarbaraCA.gov.

This hearing is for design review only. If the project requires approval by the Planning Commission or the Staff Hearing Officer, you will receive a notice for that public hearing.
