**PUBLIC HEARING PROCEDURES.** The following review steps explain the sequence that all projects must undergo during a public hearing. 1. Introduction by the Chair; 2. Staff Comments (optional); 3. Applicant Presentation; 4. Public Comment (if any); 5. Questions from the Board/Commission; 6. Comments from the Board/Commission; 7. Board/Commission Action; and 8. Board/Commission Discussion.

**AGENDAS, MINUTES, REPORTS, PLANS & PUBLIC RECORD WRITINGS.** Copies of documents relating to agenda items are available for review in the Community Development Department at 630 Garden Street, and agendas and reports are also posted online at [www.SantaBarbaraCA.gov/SFDB](http://www.SantaBarbaraCA.gov/SFDB). If you have any questions or wish to review the plans, please contact Katie Mamulski, Single Family Design Board (SFDB) Planning Technician, at (805) 564-5470, extension 4532 or by email at [KMamulski@SantaBarbaraCA.gov](mailto:KMamulski@SantaBarbaraCA.gov). Office hours are 8:30 a.m. to 4:30 p.m., Monday through Thursday, and every other Friday. Please check our website under [City Calendar](#) to verify closure dates. Materials related to an item on this agenda submitted to the SFDB after distribution of the agenda packet are available for public inspection in the Community Development Department located at 630 Garden Street during normal business hours. Letters received and staff reports that are a public record, relate to an agenda item, and are distributed to the SFDB during the meeting are available for public inspection in the David Gebhard Public Meeting Room, 630 Garden Street.

**PUBLIC COMMENT.** The public has the opportunity to comment on any item on today's agenda. The Chair will announce when public testimony can be given for each item on the agenda. Speaker slips are available by the door and should be filled in and handed to the SFDB Secretary before the agenda item begins. Each speaker is allocated two minutes for public comment due to time constraints. Public comment submitted prior to the scheduled meeting can be submitted via email to [SFDBSecretary@SantaBarbaraCA.gov](mailto:SFDBSecretary@SantaBarbaraCA.gov) or by mail to City of Santa Barbara, Community Development Department/Planning Division, P.O. Box 1990, Santa Barbara, CA 93102. Written public comment letters and emails received prior to the meeting are typically distributed to the SFDB at their meeting.

**INTERESTED PARTIES.** The City is required to give notice to property owners that may be directly affected by the proposed action (neighbors within 300 feet on certain projects per SBMC Section 22.68.040). This may be the only public notice sent out regarding the development application depending on the future discretionary review or public review process necessary for the project. Other methods to be informed of future scheduled hearings for a particular project or property include:

- a. Submit a request in writing to become an "Interested Party" for future notification purposes related to the development application so the City can mail or e-mail you future SFDB agendas when the particular project is scheduled on a future agenda. This type of notification is done as a courtesy and does not require 10-day advance notice.
- b. Join the City's [SantaBarbaraCA.gov/MySB](http://SantaBarbaraCA.gov/MySB). This system allows you to manage subscriptions to City email lists that cover a wide range of City topics and services, including agendas sent for all Design Review Meetings. Since all agendas would be sent, users of this service would need to check each agenda for their particular project of interest.

Contact City Planning staff at 564-5578 for questions on case status or visit the Planning/Zoning counter located at 630 Garden Street to review the most current plans proposed for the development application.

**STATE POLITICAL REFORM ACT SOLE PROPRIETOR ADVISORY.** State law, in certain circumstances, allows an architect, engineer or a person in a related profession who is a "sole practitioner" to make an informational presentation of drawings or submissions of an architectural, engineering, or similar nature to the same Board on which they are seated, if the practitioner does not advocate for the project. Full details regarding this exception are posted in the back of the David Gebhard Public Meeting Room and available at the Community Development Department located at 630 Garden Street, Santa Barbara, CA.

### PLEASE BE ADVISED

The following advisories are generally also contained in the City's Single Family Design Board General Design Guidelines and Meeting Procedures (SFDB Guidelines). The specific SFDB Guideline number related to each advisory is listed in parenthesis after each advisory. Applicants are encouraged to review the full version of the SFDB Guidelines.

- The approximate time the project will be reviewed is listed to the left of each item. It is suggested that applicants arrive 15 minutes early. The agenda schedule is subject to change as cancellations occur. Staff will notify applicants of time changes. (3.2.2)
- The applicant's presence is required. If an applicant is not present, the item will be postponed indefinitely. If an applicant cancels or postpones an item without providing advance notice, the item will be postponed indefinitely and will not be placed on the following SFDB agenda. In order to reschedule the item for review, a rescheduling fee will be paid and the applicant must fill out and file a Supplemental Application Form at 630 Garden Street (Community Development Department) in addition to submitting appropriate plans. (3.2.4)

- Substitution of plans is not allowed. If revised plans differing from the submittal sets are brought to the meeting, motions for Project Design Approval or Final Approval will be contingent upon staff review for code compliance. (3.2.4)
- Concept review comments are generally valid for one year. Per SBMC 22.69.090, a project design approval is valid for three years from the date of the approval unless a time extension has been granted or a building permit has been issued. Projects with a valid land use approval will also automatically extend the project design approval expiration date. (3.2.9) An SFDB approval does not constitute a Zoning clearance or a Building and Safety Permit.
- All approvals made by the SFDB are based on compliance with Municipal Code Chapter 22.69 and with adopted SFDB guidelines. Decisions of the SFDB may be appealed to the City Council. For further information on appeals, contact the Planning Division Staff or the City Clerk's office. Appeals must be in writing and must be filed with the City Clerk at City Hall, 735 Anacapa Street, within ten (10) calendar days of the meeting at which the Board took action or rendered its decision. (3.2.9)
- CEQA Guidelines § 15183 Exemptions (Projects Consistent with General Plan). Under this California Environmental Quality Act (CEQA) Guidelines section, projects with new development (new nonresidential square footage or new residential units) qualify for an exemption from further environmental review documents if (1) They are consistent with the General Plan development density evaluated in the 2011 General Plan Program Environmental Impact Report, and (2) any potentially significant project-specific impacts are addressed through existing development standards. Section 15183 exemptions are determined by staff based on a preliminary environmental review process. A decision-maker CEQA finding is required for a Section 15183 exemption. City Council General Plan environmental findings remain applicable for the project.
- **AMERICANS WITH DISABILITIES ACT:** If you need auxiliary aids or services or staff assistance to attend or participate in this meeting, please contact the SFDB Secretary at (805) 564-5470, extension 3308 or by email at [SFDBSecretary@SantaBarbaraCA.gov](mailto:SFDBSecretary@SantaBarbaraCA.gov). If possible, notification at least 48 hours prior to the meeting will usually enable the City to make reasonable arrangements. Specialized services, such as sign language interpretation or documents in Braille, may require additional lead time to arrange.

#### **LICENSING ADVISORY:**

The Business and Professions Code of the State of California and the Municipal Code of the City of Santa Barbara restrict preparation of plans for certain project types to licensed professionals. See SFDB Guidelines 2.12 and 3.1.2C for specific information.
