Consent items are reviewed in a sequential manner as listed on the agenda. Applicants are advised to approximate when their item is to be heard and should arrive 15 minutes prior to the item being announced. If applicants are not in attendance when the item is announced, the item will be moved to the end of the agenda.

The applicant's presence is suggested in order to respond to questions and discuss potential conditions of approval, thereby avoiding project continuances. If an applicant cancels or postpones an item without advance notice, the item will be postponed indefinitely and will not be placed on the following Single Family Design Board (SFDB) agenda.

Actions on the Consent agenda are reported to the Full Board at the next regular meeting. The Full Board has the discretion to ratify or not ratify the Consent actions. The Consent agenda reviewing member of the SFDB may refer items to the Full Board for review.

**PUBLIC COMMENT:** The public is invited to comment on any item on the agenda. Speaker slips are available by the door and should be handed to staff before the agenda item begins. Due to time constraints, individual comments are typically limited to two minutes. Written comments are also welcome. Mail to SFDB Secretary, P.O. Box 1990, Santa Barbara, CA 93102-1990 or email to [SFDBSecretary@SantaBarbaraCA.gov](mailto:SFDBSecretary@SantaBarbaraCA.gov). Please note that the SFDB may not have time to consider written comments received after 10 a.m. on the day of the meeting.

**AGENDAS, MINUTES, REPORTS, & PUBLIC RECORD WRITINGS:** Documents relating to agenda items are available for review in the Community Development Department at 630 Garden Street, and agendas, minutes, and reports are also posted online at [SantaBarbaraCA.gov/SFDB](http://SantaBarbaraCA.gov/SFDB). Materials related to an item on this agenda submitted to the SFDB after distribution of the agenda packet are available for public inspection in the Community Development Department at 630 Garden Street during normal business hours. Letters received and reports that are a public record and relate to an agenda item are also available for public inspection at the meeting.

**PLANS & ADDITIONAL INFORMATION:** If you have any questions or wish to review the plans, contact Katie Mamulski, SFDB Planning Technician, at (805) 564-5470, ext. 4532 or email [KMamulski@SantaBarbaraCA.gov](mailto:KMamulski@SantaBarbaraCA.gov).

**AMERICANS WITH DISABILITIES ACT:** If you need auxiliary aids or services or staff assistance to attend or participate in this meeting, contact the SFDB Secretary at (805) 564-5470, ext. 7543. If possible, notification at least 48 hours prior to the meeting will usually enable the City to make reasonable arrangements. Specialized services, such as sign language interpretation or documents in Braille, may require additional lead time to arrange.

**APPEALS:** Decisions of the SFDB may be appealed to the City Council. For further information on appeals, contact the Planning Division staff or the City Clerk's office. Appeals must be in writing and must be filed with the City Clerk at City Hall, 735 Anacapa Street within 10 calendar days of the meeting at which the Board took action or rendered its decision.

### **PLEASE BE ADVISED**

CEQA Guidelines §15183 Exemptions (Projects Consistent with General Plan). Under this California Environmental Quality Act (CEQA) Guidelines section, projects with new development (new nonresidential square footage or new residential units) qualify for an exemption from further environmental review documents if (1) they are consistent with the General Plan development density evaluated in the 2011 General Plan Program Environmental Impact Report, and (2) any potentially significant project-specific impacts are addressed through existing development standards. Section 15183 exemptions are determined by staff based on a preliminary environmental review process. A decision-maker CEQA finding is required for a Section 15183 exemption. City Council General Plan environmental findings remain applicable for the project.
