CITY OF SANTA BARBARA STAFF HEARING OFFICER

RESOLUTION NO. 067-09
642 LAS ALTURAS ROAD
MODIFICATION
AUGUST 12, 2009

APPLICATION OF LORI KARI, ARCHITECT FOR JACK JEVNE, 642 LAS ALTURAS ROAD, APN 019-282-007, E-1 ONE-FAMILY RESIDENCE ZONE, GENERAL PLAN DESIGNATION: 3 UNITS PER ACRE (MST2009-00088).

The 13,123 square foot project site was previously developed with a single-family residence and attached two-car garage, which were destroyed in the Tea Fire. The project consists of construction of a 2,758 square foot, three-story residence and attached 426 square foot garage. The discretionary applications required for this project are Modifications to permit alterations and additions to the structure within the required 25' front and 10' interior setbacks (SBMC §28.15.060 and §28.15.065).

The Environmental Analyst has determined that the project is exempt from further environmental review pursuant to the California Environmental Quality Guidelines Section 15303 & 15305.

WHEREAS, the Staff Hearing Officer has held the required public hearing on the above application, and the Applicant was present.

WHEREAS, no people appeared to speak in favor or opposition of the application, and the following exhibits were presented for the record:

1. Staff Report with Attachments, August 5, 2009.
2. Site Plans
3. Correspondence received in support of the project:
Henry Jefferson, 646 Las Alturas Road, Santa Barbara, Ca
4. Correspondence received in opposition to the project:
Paula Westbury, 650 Miramonte Drive, Santa Barbara, Ca

NOW, THEREFORE BE IT RESOLVED that the City Staff Hearing Officer:

Approved the subject application making the finding that the Modifications are consistent with the purposes and intent of the Zoning Ordinance and are necessary to secure an appropriate improvement on the lot. The proposed encroachments allow for minor expansion of the residence that primarily matches the previously existing setbacks. Although the site is large, it is constrained by steep slopes, which limits the area available for development. Given the minor nature of the proposed changes and distance from adjacent properties, this proposal will not adversely impact the neighborhood.

This motion was passed and adopted on the 12th day of August, 2009 by the Staff Hearing Officer of the city of Santa Barbara.

I hereby certify that this Resolution correctly reflects the action taken by the city of Santa Barbara Staff Hearing Officer at its meeting of the above date.
