CITY OF SANTA BARBARA STAFF HEARING OFFICER

RESOLUTION NO. 014-10 32 ROSEMARY LANE MODIFICATION APRIL 7, 2010

APPLICATION OF PAUL KRIEGER FOR 32 ROSEMARY LANE, APN 015-091-017, E-1 ONE-FAMILY RESIDENCE ZONE, GENERAL PLAN DESIGNATION: 3 UNITS PER ACRE (MST2009-00576)

The 13,375 square foot project site is currently developed with a single family residence, attached two-car garage, and two detached storage sheds. The proposed project involves a new patio cover that will connect the rear of the garage to the accessory structure. The discretionary application required for this project is a Modification to permit new construction within the required ten-foot interior setback (SBMC §28.15.060).

The Environmental Analyst has determined that the project is exempt from further environmental review pursuant to the California Environmental Quality Guidelines Section 15303 & 15305.

WHEREAS, the Staff Hearing Officer has held the required public hearing on the above application, and the Applicant was present.

WHEREAS, no people appeared to speak in favor or opposition of the application, and the following exhibits were presented for the record:

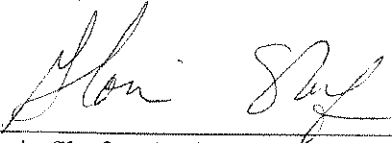

1. Staff Report with Attachments, April 1, 2010.
2. Site Plans
3. Correspondence received in support of the project:
 - a. Mark and Lynn Hudson, via e-mail
4. Correspondence received in opposition to the project:
 - a. Paula Westbury, 650 Miramonte Drive, Santa Barbara, Ca

NOW, THEREFORE BE IT RESOLVED that the City Staff Hearing Officer:

- I. The Modification is consistent with the purposes and intent of the Zoning Ordinance and is necessary to secure an appropriate improvement on the lot, because the 64 square foot portion of the roof connection proposed within the setback provides a protected entry for a legal accessory structure without impacts to the adjacent neighbor.
- II. Said approval is subject to the condition that details for the second detached storage shed be removed from within the setback and relocated out of the required setback and open yard to confirm compliance with current zoning regulations. The additional temporary storage bins shall also be removed from the setback.

This motion was passed and adopted on the 7th day of March, 2010 by the Staff Hearing Officer of the city of Santa Barbara.

I hereby certify that this Resolution correctly reflects the action taken by the city of Santa Barbara Staff Hearing Officer at its meeting of the above date.
